OF CANADA.

THE MACHINE FOR THE ARTIZANS
OF CANADA.

THE OSBORN
LOCK STITCH

Sewing Machine

Has now been tested beyond all question, and the
verdict of the public is that to-day it stands with-
out a rival. It is the most substantially built, has
the fewest working parts, and is beautiful in design
and finish. Has the best design of a shuttle, and
by far the largest bobbins. It is capable of per-
forming a range of work hitherto thought impossi-
ble for Sewing Machines, is sold at about one-half the
price of other Machines doing the like work, and is
equally at home on leather as on fine goods. A per-
fect machine guaranteed or no sale. It is the best
made, simplest, more durable and reliable than any
other single thread Machine. Larger and works
with greater ease. Will do all kinds of domestic
Sewing in a perfectly satisfactory manner. Has
taken first prize wherever exhibited.

**HOWARD'S IMPROVED
IRON HARROW.**

THIS Harrow is superior to all others, because it
is the most complete. It covers 14 feet of land.
It leaves the ground finer, works faster, and adapts
itself to uneven land. It does not bend and choke
less than any other Harrow. It is so constructed as
to draw either end. The teeth being so set as to
tear the ground up to a good depth, or to pass light-
ly over the surface, as the teeth are beveled on one
side. It can be worked with a span or three horses,
or it may be unjointed and worked with one or two
horses, in one, two or three sections.

They are giving entire satisfaction.

Price of Harrow complete, with three sec-
tions, treble-tree, and two coupling-trees, \$35.

Price of two sections and one coupling tree, \$22.
