Seed Potatoes
 THE
 BRONZE KING

I beg to inform the public that I have propagated a potato which has been thoroughly tested, and has proved itself to be far superior to all others known. It is a cross from the Early Rose and Garnet Chili. I had it tested last season in several sections and on different soils by reliable parties. It was not affected by the rot in a single instance, while other varieties planted by its side were badly affected. This is the first season any have been offered for sale. It is a handsome potato, and of excellent quality.

Only a Limited Quantity for Sale.
 PRICE—50c. per lb.; 3 pounds per mail, \$1.00; \$3.00 per peck; \$5.00 per half bushel.
