J. M. COURTNEY, Deputy Minister of Finance.

would be the price. The enquiry for teas has continued to develop strength; all new arrivals of Japans have been sold well up, and also some lots to arrive, and it is certain that buyers from this out will have to pay higher prices than any ruling for last several years. Holders in Japan are very firm in their views, and decline to shade quotations a quarter of a cent., even when large lots are bid for. The movement locally is active, one house reporting the handling of 1,100 packages last week. In tobacco, rice, and spices there are no notable changes. In canned goods there is general firmness; the wet, cool weather will affect the pack of tomatoes, corn, and peas, and packers are backward in making figures for this season's goods; old tomatoes are firmly held at \$1.00 to 1.05 for standard brands. Salmon and lobsters as before. There is no very reliable news about the raisin and currant crops, and in last season's fruit there is nothing doing.

**METALS AND HARDWARE.**—We note more activity in these lines, with a continued disposition to advance, and we have to revise prices pretty generally. Pig iron shows material gain, Coltness and Summerlee being up to \$23, with other brands proportionately higher; bars are stiff at \$2.25, while some large dealers refuse less than \$2.40 for imported bar; hoops are up to \$2.50 to \$2.65; Canada plates advanced; tin plates very firm; chain is advanced, and the Dominion Wire Mfg. Co. have reduced the discount on wire by 5%, and a cable announces the reduction of the discount on gas and boiler tubing creating an advance equal to about 10% on the former, and 7% on the latter. Sheet zinc and spelter are both advanced. Machinery steel is firmer, and sleigh shoe is up a quarter of a cent. Copper remains about stationary, also tin and lead. We quote:—Coltness, none here, \$23.00; Calder, \$22.50; Langloan, \$22.00; Summerlee, \$23.00; Eglington and Dalmellington, \$20.00; Gartsherrie, \$22.00; Carnbroe, \$21.00; Shotts, \$22.50; Glengarnock, none here; Middlesboro, No. 1, \$21.00, No. 3, \$20.00; cast scrap, railway chairs, &c., to arrive, \$18.50; machinery scrap, \$17; common ditto, \$13. to 50; bar iron, \$2.25 to 2.40; best refined, \$2.45. The products of the Londonderry Iron Company we quote as follows: Siemens' pig No. 1, \$30; Acadia bar, \$2.10; Siemens' bar, \$2.25; these figures for round lots. Canada Plates—Blaina, \$2.75 to 2.90. Tern roofing plate, 20x28, \$6.75 to 7.00. Black sheet iron, No. 28, \$2.70. Tin plates—Bradley charcoal, \$5.75; charcoal I.C., \$4.15 to 4.50; do. I.X., \$5.25; coke I.C., \$3.60 to 3.70; coke wasters, \$3.25; galvanized sheets, No. 28, ordinary brands 5 to 5½c.; Morewood, 6½ to 7c.; tinned sheets, coke, No. 24, 5½c.; No. 26, 6c.; the usual extra for large sizes. Hoops and bands, per 100 lbs. \$2.50 to 2.65; Staffordshire boiler plate, \$2.75; common sheet iron, \$2.75 to 2.90; steel boiler plate, \$2.75; heads, \$4; Russian sheet iron, 10½c.; lead per 100 lbs., —; pig, \$3.75 to 4.00; sheet, \$5.00; shot, \$6.00 to 6.50; best cast steel, 11 to 12c.; spring, \$2.50; tire, \$2.50 to 2.75; sleigh shoe, \$2.50 to 3.00; round machinery steel, \$3.00; ingot tin, 22½ to 23c.; bar tin, 25c.; ingot copper, 12½ to 13c.; sheet zinc, \$5.50; spelter, \$5.25; antimony, 15c.; bright iron wire, Nos. 0 to 8, \$2.25 per 100 lbs; annealed do., \$2.25.

**OILS, PAINTS, AND GLASS.**—A stiffening in linseed oil is recorded and it is now quoted at 62c. for raw and 65c. for boiled, in ordinary jobbing lots; turpentine has also advanced, and though receded a little from highest point is firm at 64 to 65c.; castor also dearer at 9½
