Rapid Progress of the Work

The building of the Northern Pacific Railroad (begun July last) is being pushed forward with great energy from both extremities of the line. Several thousand men are employed in Minnesota and on the Pacific coast. The grade is nearly com pleted 266 miles westward from Lake Superior trains are running over 130 miles of finished road, and track-laying is rapidly progressing towards the eastern bovder of Dakota. Including its purchase of the St. Paul and Pacific Road, the Nothren Pacific Company now has 413 miles of completed road and by September next this will be increased to at least 560
