HAMILTON, March 3, 1888.

GENTLEMEN.—We hereby acknowledge the receipt of the fifteen thousand dollars, being in full payment of policy No. 1,113, on the life of the late Charles E. Freeman, Barrister, of this city, accidentally drowned in Burlington Bay, on the 13th of February. This prompt payment, with out rebate, speaks volumes for the integrity and business management of your Company, the more so that the deceased had only been recently insured, and had merely given his note on one of the Company's forms for the premium, which falls due to-day.

We specially desire to commend the Company for its promptness in this case, as the claim papers were only sent into you two days ago.

CLARENCE FREEMAN, Executors of the last will of  
ANDREW RUTHERFORD, CHAS. E. FREEMAN,  
F. FREEMAN. MAN, deceased.

**CONFEDERATION  
Life Association.**

**THE FOLLOWING PROFIT** result-  
in this Association will be of interest to  
intending insurers:

Policy No. 618, issued in 1872, at age 30 for \$1,000 on the All-life plan. Annual premium \$20.88.

At the Quinquennial Division on the close of 1876, the holder elected to take his profits by way of TEMPORARY REDUCTION OF PREMIUM, and has had the benefit of the same.

This Policy-holder will, at the ensuing Quinquennial Division, after the close of the present year (1881), have a TEMPORARY REDUCTION for the ensuing FIVE years \$9.78, EQUAL to 46.81 per cent. of the annual premium.

The cash profits for the five years are \$42.83, equal to 41 per cent. of the premiums paid during that period.

The cash profits if used as a PERMANENT REDUCTION would reduce all future premiums by \$2.65, equal to 12.68 per cent. of the annual premium.

The above unsurpassed results are the profits for the SECOND FIVE YEARS of the policy.

The next Quinquennial Division takes place as early as possible after close 1881.

HON. SIR W. P. HOWLAND, C.B. K.C.M.G.,  
J. K. MACDONALD,  
Managing Director

**BY UNIVERSAL ACCORD,**

AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use by physicians in their practice, and by all civilized nations, prove them the best and most effectual purgative Pill that medical science can devise. Being purely vegetable no harm can arise from their use, and being sugar-coated, they are pleasant to take. In intrinsic value and curative power no other Pills can be compared with them; and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order and maintain in healthy action the whole machinery of life. Mild, searching and effectual, they are especially adapted to the needs of the digestive apparatus, derangements of which they prevent and cure, if timely taken. They are the best and safest physic to employ for children and weakened constitutions, where a mild but effectual cathartic is required.

For sale by all druggists.

DEAR DR. NASH, I thank you for my present excellent health after your successful treatment. Bronchitis, with a complete loss of voice, so prostrated and annoyed me, until after treatment with some of the most eminent medical talent, and without success, I resolved to avail myself of your services, and can now say that my health was never so well. I attribute my present good health to your system of inhalations and constitutional remedies. Sincerely yours, T. M. HENNESSY
