

Live Stock Markets.

Toronto, May 10.—We had about fifty loads on the market this morning including 250 calves, nearly a couple of hundred sheep, and about a thousand hogs. We had considerable buying for Montreal and other outside points, and prices generally were maintained. Much export cattle were purchased, and some of the chief sales were these:—One load cattle, 1,340 lbs average, 5c per pound; one load, 1,300 lbs, average, 5c per pound; 20 cattle, 1,295 lbs average, 5½c per pound; 21 cattle, 1,200 lbs average, 5c per pound; one load cattle, 1,260 lbs average, \$4 95 per cwt.

There was a good trade done in butchers' cattle, and any choice stuff sold uncommonly well, but prices were practically unchanged all round. Here are some sales;—A load of 21, 1,030 lbs, average, 4½c per pound; a load, 1,000 lbs average, \$3 85 per cwt; one load, 1,000 lbs average, \$33 per head; one load, 900 lbs average, \$3 60 per cwt; 22 cattle, 1,025 lbs average, 4c per pound.

Small stuff was practically unchanged, except a weakness in the hog department, and really experienced a decline, although Tuesday's rates were the quotable figure of to-day. Good spring lambs, good calves, and choice hogs will find a good sale here but grades of poor stuff are not wanted, and in fact only help to bring the values down.

East Buffalo, May 10.—Receipts of cattle were more liberal, but light in the stock, only five cars being on sale; the market was dull and slow at firm prices. Hogs—On sale, 3,800 head; the market was fairly active and a shade stronger for yorkers and light grades; mediums, heavy, and choice yorkers brought \$4 75 to \$4 85; roughs \$4 to \$4 25; pigs, \$4 70 to \$4 75; stage \$3 to \$3 75. Sheep and lambs—On sale, 41 cars, including 22 held over; the market was dull and unchanged, buyers and sellers continuing to be wide apart in their views; top wethers were quoted at \$4 25 to \$4 40; fair to good mixed sheep, \$3 50 to \$4 15; common to fair, \$2 75 to \$3 25; culls, \$2 to \$2 56; fancy heavy lambs, \$5 15 to \$5 25; fair to good, \$4 to \$4 75; spring lambs, \$3 50 to \$3 50.
