> PROLD BELGIUM By EMLE VERHABREN

24. 1680.)

ated and Furnished with a reminis cent Introduction by Catherine D. Groth. HORTLY before I left Paris, a few

dere has been too much ramenung mand noblest men of the moment. The gight. That is wrong. No matter world is in such need of good men. And it seems unutterably sad that those whose lifework—like Verhaeren's is an inspiration should be ruthlessly torn away, before I sailed. And only those who before we even fully realize their mean-

may seem, Belgians have no light to sionate national longings of a race, so haeren in his exuberance of assettion over it to themselves to be worthy of their arrayed the mystical and the practical soldiers, who were all theroes.

That women driven from their transfer of the soldiers who were all theroes.

the real poet of her fields. roads of hunger, exile, and suffering that

the real poet of her fields.

From the beginning of the war he worked in case of the cause of his country is real poet of her fields.

From the beginning of the war he worked in case of the cause of his country is really to the cause of his country has been as a real burning with harred for the barbariaas who were destroying his case of Flanders those delicate jewels our which never can be replaced.

From the beginning of the war he worked is a natural. But men, and especially those who are capable of thought or action, must not echo the cries of sorrow.

They who before the war dream of a ferater Belgium did not wish for more territory in Europe, or for greater colonial expansion in Africa. They longed only for a Belgian renascence, economical and intellectual. Their goal was a more active and perfected industrial life a mode of thinking more audactous and alive. They sought influence, not conquest.

Al his efforts had tended towards increase in human happiness, and war had always seemed to him an unpardonable blot. He had the keenest sympathy for Germany, where he was much appreciated. His test biography in fact, was written by an Austrian.

When the war same, Verhaeren sufferent more ready is well he wounter and more ready in well he wounter and more in the reborn day.

When the war same, Verhaeren sufferent more and more ready in well he wounter and more ready in well he wounter and more ready in the sum of the core of the core of the who are capable of thought or action, must not echo the cries of sorrow.

They who before the war dream of active and serving in the work of greater colonial to the core of a the work of the core of the core
