### PURE BLOOD MAKES HEALTHY PEOPLE

Hood's Sarsaparilla surely and effectively removes scrofula, boils and other blood diseases because it drives out of the blood all the humors that cause these diseases. They cannot be successfully treated in any other way. External applications for their removal have proven almost useless, because they cannot drive out the impurities that are in the blood.

Hood's Sarsaparilla makes pure rich blood, perfects the digestion, and builds up the whole system. The skin becomes smooth, clean and healthy. This great blood remedy has stood the test of forty years. Insist on having Hood's, for nothing else acts like it. There is no real substitute. Get it today. Sold by all druggists.

## Soldiers Did Not Arrive

Disappointment greeted the vigil the large number of friends and relatives of the soldiers concerned, who gathered together last evening at the G.T.R. station, awaiting the return to this city of Pte. A. C. Thompson and Corp. E. G. Bracey, both of whom through being de-tained in Toronto, failed to reach the city as they had expected to do. Pte. E. If there is anything which appeals to the vaudeville patrons it is musical comedy with lots of singing, dancing and good come dians. Unlike other shows, the above named company has adapted itself to music which is new and refined and presenting a performance which is a real entertainment. The Andrews company comes to Brantford highly recommended after having several weeks run in the larger cities, and Manager Symons is more than pleased to have secured this clever com-pany for next week. The opening bill is entitled "The White Light Cape," staged with special scenery and elec-trical effects, and is a rollicking, wholesome sketch that can't help hitting the funny bone, and affords ample opportunity for introducing novelties in which the individual nerits of the company are shown t
