

What Gives Bacon Its Flavor?

The flavor of bacon depends entirely on the kind of a hog that it comes from.

Curing and packing only preserves the natural juices of the meat.

Duff's Horse Shoe Brand breakfast bacon has always an appetizing flavor because Duff's buy only high grade, well fed Canadian hogs. Duff's Special Cure, perfected by years of experience preserves all the natural flavor of the meat.

Serve it for to-morrow's breakfast.

Your butcher and greener have it or can get it from us—to-day.

Tithe Giving

To the Members of Grace Church.

Dear Brethren:

Malachi, in the second last chapter of the Old Testament, says "Bring ye all the tithes into the storehouse, that there may be meat in my house, and prove me now herewith, saith the Lord of Hosts, if I will not open the windows of heaven and pour you out such a blessing, that there shall not be room enough to receive it." Many people read this and ignore it, many have never read these words and so many blessings have not been received. On the other hand thousands of trustful Christians have read and profited thereby. They have found the above text to have been proven true. Dollars and cents are only a small part of God's gifts. Health in body and soul, continual growth in the spirit of confidence in this life for oneself and for his dear ones, as well as an abounding hope for an eternal future and a sure trust in the protection of All powerful God are possessions above all other earthly values. At the same time they never fall back in their finances. They can safely count on making some financial progress each year. They prove the Scripture "I have never seen the righteous forsaken." The writer's own experience bids me advise all who are earning money, from the youngest to the oldest, to begin to tithe at once. Oftimes in some startling manner God will repay you. All we have and are, are derived from Almighty God. It behoves us to make continual and increasing deposits in the best paying **BANK** in the universe. The "windows of heaven" are never closed. Let anyone try it for a year. He will never go back to irregular giving. Let us make a few observations: Do not have exaggerated ideas as to the great amount you will be enabled to save because you give a tithe. Some begin and as soon as the Lord prospers them they fail to tithe the increasing revenue. The man who puts his hand to the plow and turns back can hardly hope to reap any harvest in the autumn. Further, do not imagine that because you tithe you can afford to relax your daily effort in business or economy, nor that if you cease to fulfil other religious duties that tithing alone will avail anything. Before all and above all perform this and every other religious duty in the fear of God and to His glory. One great danger even for true Christians in making money arises from becoming idolaters even of a few gold dollars. They may worship their own little bank account, or having none, may be guilty of covetousness (which is idolatry) and so the heart becomes as hard as the gold they worship. By giving a tithe along with discharging other religious duties, the Lord is more and more recognized as the source of all things and the heart softens and glows with increasing love to the Sovereign Ruler of the Universe.

Yours faithfully,

H. J. Leake.

A Patriotic Indian.

Chief Joseph Davies of the Brunswick House Band of Ojibway Indians, and several of his tribe, who enlisted in 1916 with the 227th (Men of the North) Battalion, were among the returned soldiers who arrived home from France by the Olympic.

Chief Davies was granted by the military authorities the unique privilege of wearing upon his uniform throughout active service his official Indian chief's insignia.

On his arrival at Chateau a welcome was extended by Indian Agent T. J. Godfrey and a large deputation of members of the tribe. A pathetic feature of the chief's homecoming is that two of his children have recently died of the "flu."

The chief's wife, traveling more than thirty miles by canoe, having to break the ice in many places to get through, bringing with her one dead child and one seriously ill with the epidemic, arrived in Chateau too late to save the life of the second child, who died shortly after admission to the hospital.

The Law

as amended Nov. 10, 1919

THIS Referendum on April 18 is to ratify a new federal law, namely, the Canada Temperance Act, as recently amended by Dominion Parliament.

If a majority of the people of Ontario vote in favor of the Canada Temperance Act as amended, then, in the exact words of the law, it follows:

1. "No person shall import, send, take or transport into such province any intoxicating liquor.
2. "No person shall, either directly or indirectly, manufacture or sell, or contract or agree to manufacture or sell, any intoxicating liquor to be unlawfully imported, sent, taken or transported into such province.
3. "The carriage or importation of intoxicating liquor through such province shall only be by means of a common carrier by water or by railway and not otherwise, and during the time any intoxicating liquor is being so transported or carried no person shall open or break or allow to be opened or broken, any package or vessel containing such intoxicating liquor, or drink, or use or allow to be drunk or used any intoxicating liquor therefrom."

NOTE—This law does not prohibit importation of liquors to be used for sacramental, medicinal, manufacturing or commercial purposes, or the importation of such liquors as are permitted to be sold by the laws of the Province.

"Shall the importation and the bringing of intoxicating liquors into the Province be forbidden?"

Vote—and Vote, "Yes"
