Edith—Forgive me, Bertha, but your husband plays the flute atrociously.

Bertha—I know, dear; but what can I do? He used to serenade me with that old tune. If I tell him now that he is no player, he will think my love is growing cold.

Some people can express a truth more intelligently than they can express an opinion.

It is poor policy to take advantage of other people because you have never had any advantage of your own.

True greatness does not consist in never falling, but in rising again after the fall.

GONE ABROAD

Mr. and Mrs. L. R. Tobey left today for Europe. They travel via C. P. R. to Montreal, and then take the steamer Lake Champlain. They will land in Liverpool, thence visit points of interest in England and other parts of Europe. Mr. Tobey is going partly on a business trip and partly for pleasure. He will purchase fall and spring goods for the firm of The 2 T's while he is abroad. Mr. Tobey is very observant and has promised to give The Planet some interesting letters about his trip and points of interest he visits.

CAN'T SECURE EXTRADITION

Was Canadian Justice Cheated in Indiana by officious Judge?

Alleged Kent County Criminals Who can now Laugh at Their Pursuers.

Special to The Planet.

Toronto, July 29.—Inspector Murray of the Provincial detective staff returned today from Fort Wayne, Indiana, where he had been trying to secure the extradition of Benjamin Reilly and William Archer, who are wanted on several charges of stealing grain from farmers in Kent and Lambton counties.

The attempt to get the men failed, and Inspector Murray is disgusted because the presiding judge allowed alibi evidence in the men's behalf, which is contrary to law. One of the prisoners' lawyers was ex-Judge Monk, who by the way, stands 8 feet in height. These lawyers were witnesses, 25 in number, from all over Wells county, who swore the accused were in Indiana when the crimes were committed.

"The law says the alibi argument must not be heard in extradition cases," said Inspector Murray, "but Commissioner Logan ruled otherwise, and the big lawyer himself swore he had rented the men a house."

DISCIPLE OF CONVICT TRACY

Jas. McKenney on a Furious Rampage in Southern California.

Wounds Man Trying to Shoot Cards and Pumps Buckshot into Pursuing Citizens.

Fresno, Cal., July 28.—At Porterville, James McKenney, an ex-convict, shot five men and escaped into the country in a stolen rig. McKenney in trying to shoot the cards out of the hands of a player, wounded the latter slightly. He then went to a livery stable and at the point of a revolver secured a rig. As he was driving off a constable, a deputy and several citizens tried to arrest him. He opened fire, wounding four of the party, and escaped. Two years ago McKenney killed a man at Bakersfield, but was exonerated.

The trouble started in a saloon in this affray, when McKenney began shooting out the lights, and afterwards turned his attention to the card players.

William Lynn, a gambler, whose abdomen and legs were filled with buckshot, has succumbed to his wounds.

McKenney also filled the right arm of Geo. Barrows, a printer, with shot, and sent a bullet into the mouth of Deputy Marshal Willis, another into the arm of Deputy Constable Tompkins and a load of shot into the arm of W. D. West.

Before leaving McKenney awakened Dave Mosher and said to him: "I've got into a fight. They came after me, but I whipped them all. I killed three or four of them. They have not treated me right. I'll die game. You talk about Tracy; he won't be in it with me."

There was blood on one of his legs, and it is believed he was wounded. He is headed for Fresno county and it is supposed he will make for the mountains. He has a shotgun, a rifle and a revolver.

A quiet wedding took place at the residence of Rev. J. J. Ross last evening when the reverend gentleman united in marriage John Oliver, of McKenney & Trotter's staff, and Miss Flora Watson. The bride was attended by Miss Clara Cape, while John H. Watson was the groomsmen. Their many friends extend good wishes to the happy couple.

STANLEY AVE WALK LAID ACCORDING TO CITY'S BY-LAW

Mayor Said Through Cemetery was Proper Place—Walk Built and Council Wont Interfere—Library lot to be Bought at Once—The Property Committee's Gazoo Whistle.

The weeds in the city are to be cut. The account of Robt. Riddell, \$2.25, was referred to the Board of Works with power.

The account of Stone & Co., \$2.25, was referred to the Board of Works. Requests to trim trees from Mrs. Bragg, Emma St., and others were referred to the Chief of Police.

The civic pay sheets for the past two weeks, were passed, amounting to \$253.67.

Ald. McCoig asked if there was any more measuring of walks charged for in the pay sheets.

Ald. McKeough replied that there were one or two items, as follows:—Queen St. walk, \$2; Joseph St., \$2; Emma St., \$2.

Ald. McCoig said that it was an imposition to ask ratepayers to pay for this work when there were the City Engineer and foreman, both able to do the work.

Albert Trato wrote, offering to furnish street signs at a reasonable price. He didn't mention the amount, however. Referred to the Board of Works. The Mayor said that he would like to see the Board of Works take this matter up.

L. L. Davis, Secretary of the Public Library Board, wrote asking the Council to complete the purchase of the library lot.

The Mayor suggested that the matter be settled at once, so that the Library Board could go ahead.

Ald. McCoig said that there was no question but that the Council should take the steps to assist the Library Board. He had at first favored paying for the lot out of the general fund, but taking into consideration the extra expenses of this year, he now thought it a good idea to issue debentures, as suggested by some of the other aldermen.

Ald. McCoig then moved that the money for the purchase of the library lot be secured by the issue of 10 year debentures for \$1,400, bearing interest at 4-1-2 per cent.

The Mayor—We should have a special meeting to pass that by-law.

Frank Granville, owner of the schooner Ontario, wrote asking \$15 damages for detention of one hour and for lines broken in stopping the schooner from running into the Aberdeen bridge. The schooner in tow of a tug had arrived at the bridge at 12:15, but had not got to the S. Hadley dock till near 2 o'clock.

The Mayor said he was informed that the Council should have sent a copy of their by-law closing the bridges between the hours of 12 and 1 o'clock to the Minister of Marine.

The Mayor was going to refer this matter to the Board of Works, when Ald. McKeough pointed out that it was clearly a matter of Finance.

Ald. Cowan—That's right; shirk it if you can.

Ald. McKeough—We don't want to shirk anything; and are perfectly satisfied to leave it with you to be referred.

The Mayor referred the matter to the Board of Works.

Ald. McCoig gave notice of a motion to instruct the Engineer and foreman to measure all walks put down and be responsible for same.

FINANCE.
Chairman McCoig, of the Finance committee, reported recommending: That William Drader's account of \$1.75 be paid.

That a city directory at a cost of \$2 be purchased.

That M. Houston be paid \$10 for rent of Harvester Works for storing machinery.

That the estate of the late E. W. Seane be relieved from income tax from the time of the death of the late alderman.

That \$20 be paid the estate of the late Wm. Douglas in full of all claims.

That W. R. Baxter's account, \$1.75, be paid.

That the Harrison Hall account, \$123.78, and the administration of justice account, \$126.70, are both correct, and that they be paid.

That the G. N. W. Telegraph Co's account, 75c, be paid.

That the account of the City Solicitor, \$1.12, be taxed as the committee consider the bill extravagant.

The report was adopted.

COWAN'S KICK.
The clause in the report ordering the payment of Judge Houston \$10 rent of the Harvester Works for storing the city's machinery, aroused Ald. Cowan. He said the machinery wasn't kept as it should be. He said he understood that the machinery had been pushed out in a shed.

Ald. McCoig said that he had seen Ald. Marshall, chairman of the Board of Works, last year, and he had said that the agreement was correct.

Ald. Cowan—I wouldn't advise paying it. The roller is standing outside now.

Ald. McCoig—The arrangements were only made till the first day of April and not for the season.

Ald. Cowan—There is no question as to the contract being entered into. There is no question as to the integrity of Mr. Marshall or Mr. Houston—at least as to Mr. Marshall's honesty, but the machinery was not left where the agreement called for.

Ald. McKeough asked if the City Solicitor had offered a compromise on his bill.

Ald. McCoig said that Mr. Wilson

MAY LOSE ARM

Eugene Barnes, of Raleigh, is suffering from a severe attack of blood poisoning as a result of the breaking of a water blister on his hand. This blister broke one morning while he was doing his chores. He thought nothing of it, however, and went around at his work as usual during the day. Towards evening his hand began to pain him and he came into town and consulted a physician. It was found on examination that the man was suffering from blood poisoning up as far as his elbow. The doctor is endeavoring to save the arm, but he thinks it will be necessary to take off a couple of the fingers.

LEADER DEWET WILY AS EVER

He Arrives at Cape Town Unexpectedly and Upsets Plans of his Friends.

Botha and Dewet the Cause of an Unusual Scene in a Cape Town Church.

Cape Town, July 28.—General De Wet proved that he could evade friends as successfully as he did enemies by arriving here unexpectedly this afternoon, and upsetting all the elaborate plans prepared for his reception. He strolled through the streets casually nodding to his acquaintances and occasionally to a former opponent. Arrangements were quickly made by Afrikaners to entertain the famous leader to-night, at a semi-private dinner, tickets to which already stand at five guineas premium.

A striking contrast to De Wet's return was the scene on Sunday when Generals Botha and Delarey attended church. The building was packed, mainly by women, and the service was scarcely concluded when these Cape Town admirers stormed the pew in which the generals sat. With difficulty they retreated to the vestry. The congregation followed and Generals Botha and Delarey were lifted to the vestry table. The pastor of the church warmly remonstrated, whereupon a number of those present seized the generals and carried them to carriages, where another demonstration ensued.
