STOMACH HEALTH— OR NO COST TO YOU

Very likely others have advised you to use Rexall Dyspepsia Tablets, because scores of people in this community believe them to be the best remedy ever made for Dyspepsia and indigestion. That is what we think, too, because we know what they have done for others and what they are made of. We have so much faith in them that we urge you to try them at our risk. If they don't help you they won't cost you a cent. If they do all that you want them to do—if they don't restore your stomach to health and make your digestion easy—just tell us and we will give back your money without a word or question.

Containing Pepsin and Bismuth, two of the greatest digestive aids known to medical science, they soothe the inflamed stomach lining, help in the secretion of gastric juice, check heartburn and distress, promote regular bowel action, and make it possible for you to eat whatever you like whenever you like, with the comfort and assurance that there will be no bad aftereffects. We believe them to be the best remedy made for dyspepsia and indigestion. Sold only at the more than 7,000 Rexall Stores, and in this town only at our store. Three sizes 25c, 50c, and \$1.00.

Bijou Theatre

The management of the Bijou Theatre has engaged a special feature film in four reels for the entertainment of the patrons who attend the theatre today. The picture is entitled "Judith and Belshazzar" which is a story of ancient days, realistically thrown onto the canvas as natural as life. The reels show stirring battle scenes and the struggle between warring factions for the mastery of important fortresses. The program also includes a good comedy and should attract bumper houses. The usual prices will prevail viz. afternoons 15 cents for children and 10 cents for adults, and evenings 10

Hear Them All Then Hear the Edison!

You will be more satisfied to take the "EDISON"

Every instrument is of Cabinet design. Each case is a fine example of the cabinet maker's art. Rare woods are used in their construction. The finish is beautiful.

We have been in business a long time, Mr. Reader. No one knows the talking machine line better than we do. We've watched the Edison development until today we unhesitatingly claim it to be the best phonograph on the market.

The Records are of an Entirely New Material

—manufactured under a secret process from a chemical compound of such great density and hardness that the most minute wave can be engraved upon it and no amount of wear can efface or distort it.

Let us have the pleasure to demonstrate this wonderful toned instrument to you and your family.

Practical Fashion Hints

7994
All the new-style features are demanded in the separate skirt. Whereas for the last season or two we have considered the separate skirt as useful only for sports or business wear, this season it is being combined with blouses of chiffon or silk and made to do service for afternoons. Some of the separate skirt models show the panner and draped hips, others again have straight lines and a tailored finish. No. 7994 is a two-piece skirt, closing at the side; it may be made with or without the shaped girdle. There is a slight fullness in the back, which may be arranged in dart tucks or gathered, as preferred. This design is suited to moire, gabardine, serge, heavy linen or cotton. It may be made in size 24 with 2 1/2 yards of 42-inch material. Pattern comes in eight sizes, 22 to 36.

THIS IS A PERFECT PATTERN.
Be sure to give right size, passing the tape tightly around the smallest part of the waist and loosely around the widest part of the hips.
It may be obtained by filling out the coupon and enclosing 15 cents in stamps or coin, to the Pattern Department of this paper.

Free—Our Spring Style Book.
Send us 2 cents to cover actual amount of postage and we will send you free our forty-page book of spring styles, showing about 500 designs in Ladies' Home Journal patterns.

The pattern may be obtained by sending name and address, pattern No. and size and fifteen cents to DAVID SPENCER LIMITED.
