Port Elgin, May 16th, 1882. UNFERMENTED WINE.

Prepared for Sacremental and Dietic Uses by

KENSINGTON HIGH STREET, LONDON, W.

MOST complete assortment of Goods in the market, and for sale at the lowest living profit. Manufacturing Chemist,

This Wine is guranteed to be the juice of the finest grapes of the Core bon, Andalusia, and the Medoc. It is geranteed to be Pure Grape Juice. It has stood the test of 22 years continuous sale in every climate, and is now used in upwards of 3,000 Churches of all denominations. The mode of manufactors are manufactors. denominations. The mode of manufac-ture is a slight modification of a well-known ancient practice, and effectually preserves the grateful flavour and the rich nutritious qualities of the grape unimpaired. It is therefore admirably adapted to cases of debility and fever, in which the stomach is too weak to digest other food. Children suffering from febrile ailments drink it with avidity, even when all other food has been refused.

Canned Coods
