Camp, who is well known to nearly every tourist in the Mountains. He comb case and nightdress satchet to has a handsome daughter named Emma, just budding into womanhood, who is the pet of her father, and has who is the pet of her father, and has well, and washes and wears excellentalways been the favorite of the many tourists who have happened in the neighborhood of her home. A regular summer visitor to the home Camp has been Mr. Robert G. Mead, "Thy will be done!" The mother sobbing stands of Sing Sing, who, with his family, have passed the season there. Mr. Mead has a son named Gabriel, who is about 28 years old, and possesses a fortune in his own right of about great many instances the children of And hold her hand, Most Gracious Holy One!

Thou know'st how hard for her poor lips to say,

"Thy will be done!"

Thy will be done!"

Thy will be done!"

O how we need thy help

Thou know'st how hard for her poor lips to boarded with the family of Elijah to have rewarded the piety or perversity of their parents by joining the content of the father of Mary Howitt, was a proposed to the father of Mary Howitt, was a proposed

that the wily Elijah, by making the young man drink too much, induced him to marry the girl. After the ceremony Gabriel remained with his Indian wife until last Spring, when he paid a visit to his father at Sing Sing. Mr. Mead when he learned how his son had been entrapped into his marriage with the suide's daughter, was very angry, and steps were at once taken to procure an annulment of the marriage. The ground of the action was that the ceremony was performed when Gabriel was not in a condition at Hall's Book Store.

ADVENT OF THE FIRST OF THE FAIR SEX

AT CARBONATE.

June 30 was a day of jollification at Carbonate, Col., being the advent of the first waggon, the first woman, and the first board from the mill.

And she dropped.—Denver News.

Unscated for Treating.

Toronto, Aug. 20.—On Saturday judgment was delivered in the West Simeon election case, nuscating O. J.

board, and fell from the edge of the table to the ground in the centre of the table. On each side of it were plaitings of muslin. At each side of the table the same cretonne, but in straight panels, and of different designs, fell. These lifted up and discovered an inner panel of holland, mounted on mill board, with pockets are prize, he will not be subject to the law of change which governs the re-FOR SALE.

Judgment was delivered in the West Sincoe election case, unseating O. J. Phelps, who was elected in February into which shoes and boots in pairs fitted. On one side of the table were correspondent, Mr. Moberly.

Containing two hundred (200) acres, more servative opponent, Mr. Moberly.

Their Lordships took the view that watered. About fitty (50) acres under culti-pair the charge of personal hydron.

Judgment was delivered in the West covered an inner panel of ublland, mounted on mill board, with pockets into which shoes and boots in pairs fitted. On one side of the table were the walking boots and shoes, and on the other the indoor and evening ones.

Thursday afternoon a cyclone struck of personal hydron.

The charge of personal hydron.

A Romance of the Adiron- tastes. Red turkey twill and coarse cream lace would look well, or the chintz of the furniture, or all of muslin over a color. Some ladies are work-MAN AND A DUSKY MAIDEN ANNULLED. drapery in Russian cross-stitch on Little Moose Lake, in the Adiron-dack Mountains, was recently the scene of a romance, the result of which has only within a few days been setscene of a romance, the result of which has only within a few days been settled to the satisfaction of all the parties concerned. At that place lives the half-breed Indian guide, Elijah industry is natural to the worker, she concerned to the worker, she concerned to the worker of the worker, she concerned to the worker, she concerned to the worker of the worker of

"Nemesis" of Faith. The conversion of Mary Howitt to the first board from the mill.

It would have been interesting to the reader to have witnessed the electrifying effect on the men in the camp when word was passed along the line that a woman was coming. Long before she was within a mile of the camp knots of men were gathered here and there, watching, looking in the direction whence the waggon was to come. As she love in sight, each one gather. changes a sort of Nemesis, the work of an avenging power. The true secret perhaps is the danger of extremes.—New York Herald.

His Bride a Month. clerk's office. (It had been advertised that the donation of a town lot would be given to the first woman who came in.) Curious eyes were watching her every step as she approached the clerk's quarters. But the crowd which had gathered around the office for mail receded respectfully each side of the entrance.

As she passed in, Col. Ferguson serenely loomed up, and, sailing out among the boys, agitated a reception. Seized by the inspiration a hundred hats were raised from heads of noble attructure and design, siluriated somewhat, perhaps, and a hundred horny palms passed over the unkempt locks to smooth them down, vests were pulled down, and a hundred pair of eyes ran down the respective owner's "dig-ran d (Kansas City Times.)

the vehicle landed on dry ground, he

found that his bride was quite dead.

The body was brought to this city and
