**WOMEN RIOT TO GET GLIMPSE OF ODELLS ON WAY TO COURT**  
 Confessed Slayer of Wife's Betrayer May Know Fate To-day—Seek Manslaughter Verdict—Tells of Events Preceding Killing.

ROCHESTER, April 23—James Odell, on trial for the murder of Edward J. Kneip last January at a lonely spot near the Scottsville road to Buffalo, will know his fate probably before another day closes. The prosecution and the defense finished their summing up late yesterday afternoon. This morning Justice Robert P. Thompson will deliver his charge to the jurors and hand them the case for a final decision. Elmer M. Shager and Hampton H. Halsey lawyers for the defense have not waged their fight for the acquittal of the prisoner, but with the idea

that he might be given a verdict of manslaughter, rather than first degree murder. District Attorney Wm. F. Love, however, has insisted that nothing but a verdict of murder in the first degree would be consistent with the evidence as presented.

Interest in the trial of Odell who with his pretty young wife, Pearl Beaver Odell, confessed to the killing of Kneip, reached the apex yesterday, when hundreds of persons of the greater number of them women and girls, sought to crush their way into the court house in an effort to catch a glimpse of the prisoners even though they might not gain entrance to the court room. Despite the fact that Justice Thompson cleared the court room of women during the presentation of a portion of the testimony, women spectators were in the majority again today when the prisoners were led into the room.

**Father Tells Story**  
 A dramatic scene was enacted when James B. Arnold, stepfather of Odell took the witness stand on behalf of the prisoner, and told of the incident at his home when Odell and his wife brought Kneip there and questioned him regarding Kneip's assault on Pearl Beaver, previous to her marriage to Odell. "I asked Kneip if he had used force on Pearl," said the aged man, who has grown gray and stooped since the beginning of the trouble that has come into his family. "He said he had 'considerable' I got up from the table in the dining room and went out in the kitchen. Jim came out to me a minute later. 'Dad' he said 'What shall I do.' The old man stopped for a mo-

**BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT**  
 Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated; if your head is aching; if what you eat sours and forms acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeling just right, begin inside bathing. Drink before breakfast, a glass of hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before eating more food.

To feel like young folks feel, like you felt before your blood and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate, which is inexpensive and almost tasteless.

Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin his inside bathing before breakfast and brushed his hands across his eyes. It was apparent that his emotions were profound. Again the slow voice went on, while Odell's

girl wife sobbed convulsively.

"I told him do nothing that you will be ashamed of or sorry for," I told him again, "Jim do nothing that you will be ashamed of." He said, "Dad I will not harm a hair on his head." He went back out into the other room and told Pearl to get her hat and coat on he was going to take Kneip to the police station. They put on their coats and hats and went out. That was the last time I saw them."

In cross-examination, Mr. Love asked the witness to tell what he knew about the large file with which Pearl opened the attack on Kneip on the night of the killing. This, the old man said, had been an instrument used in the house for the purpose of sharpening knives and poking the stove. He had not known that his step-son had slipped the instrument into his pocket when he went out with Pearl and Kneip on the start of that journey across the city and up the Scottsville road, that resulted in the killing.

**Sweetheart Testifies**  
 Viola Williams, the dark-eyed, dark-haired sweetheart of Edward Kneip, was called by the prosecution to testify as to her relations with Kneip and when she had seen the young man prior to the killing. The black-stirred mother of the 31 year youth, Mrs. Mary C. Kneip, and his sister, Miss Josephine Kneip, both testified briefly. Neither was cross-examined. Just before the noon recess a twelve-year-old girl with dark curly hair hanging at her shoulders, Hazel Nember, a niece of Pearl Odell, was called to testify regarding a state of nervousness that she had observed in Pearl before her marriage to Odell. The child added a peculiarly human touch to the courtroom, and in his brief cross-examination of her District Attorney Love was particularly solicitous.

**RHEUMATIC JOINTS**  
 Rub Pain Right Out—Try This!

Rheumatism is "pain only." Not one case in fifty requires internal treatment. Stop drugging! Rub soothing, penetrating "St. Jacob's Oil" directly into your sore, stiff joints and muscles and relief comes instantly. "St. Jacob's Oil" is a harmless rheumatism cure which never disappoints and cannot burn or discolor the skin.

He believes in doing things. During the five years, more than 11,000 persons are recorded as having sought salvation. Notwithstanding the losses due to war, there are today nearly 2,000 more names on the Membership Roll than there were in this territory five years ago.

In July, 1916, Canada East was separated from Canada West, the dividing line being Port Arthur. Ever in view of this, there are now only forty one fewer officers in active service in the Eastern territory alone than there were in the combined territories five years ago.

In the Field Report two very striking indications of financial growth are given. In 1914, the Self-Denial total for the combined territories was \$48,726. In 1919, for Canada East alone, it was \$75,591. Harvest Festival returns have been doubled.

**Shows Solid Growth.**  
 In all the various departments the record. This shows that as often as humanly possible every opportunity has been seized for the advancement of every branch of the organization inasmuch as every act of service means the welfare of somebody, the same rate of growth has been position which the Salvation Army occupies today indicates tremendous increase service to the community. This service has been rendered under the leadership of Commissioner W. J. Richards. His five years Canada have been five big years of the Salvation Army in Canada, and give great promise for the future.

**MARRIAGE AND DIVORCE**

Peterboro *Reflex*—[11] is an essential step in the preparation of a certain dish is the capture of hare. Before a cure is provided should be evident that there is necessity for it. Before a divorce required the fact of a legal marriage must be established. At present number of marriages in the country shows a regrettable decrease, which like every other human evil, is attributed to the high cost of living which is sufficient to frighten young men from assuming the responsibilities of maintaining a household. How would it do for the Federal Government to call a halt to its agitation for easier divorce, and instead do something that would encourage matrimony?

**Growth Shows Desire To Extend Army Work**

Commissioner W. J. Richards, chief of the Salvation Army in Eastern Canada, has completed his fifth year in that capacity. During that time the Army has seen one of its greatest periods of usefulness. This period takes in the "war years." The great war had been under way since August and new problems presented themselves to the organization when he assumed command. These problems required a large measure of initiative to overcome. The task of rendering the highest and most efficient service was shouldered and Canada paid tribute to the success which attended those efforts by over subscribing the amount asked for during the Red Shield Drive.

Commissioner Richards is a forceful man. He is a man of few words.

**STIR Your Tea**

One minute before your tea is steeped, stir it.

This liberates the valuable tea essence that would otherwise remain in the leaves at the bottom of the pot and be wasted.

When you use a higher price tea—a tea of the fine quality of Red Rose Orange Pekoe—it is doubly important to stir it and get the full benefit of the rich flavor and strength from every choice young mountain grown leaf.

Red Rose Orange Pekoe is a tea of extra quality at a little extra price.

A tea for exceedingly particular people.
