**WHEN YOU ARE READING**  
Does the print run together?  
Do black spots appear before your eyes?  
Do you have to place the light between your-  
self and the print?  
Do you find it necessary to hold the book further  
away in order to see distinctly?  
If you observe any of the above signs it means you are no longer  
able to adapt your eyes to focus rays of light coming from different  
distances. A contest with failing sight is hopeless. You should  
wear properly fitted glasses. Consult us.  
We Guarantee Satisfaction.
