lery officer. FEEDING GUNS WITH "GRAIN." In his return the correspondent decided that he would not pass through that wilderness of British guns of all sizes and calibre while he had any hear-ACCEPT SUBPOENA ing left. Every one of them was firing at top speed. He chose a gallery which took him past many batteries, which for two miles were pouring out their share of the raging tempest of gunfire. From the ruins of some old German trenches, whence the battle panorama stretched before him, the correspondent had a near view of the French gunners, who were feeding shells into will accept service in Ottawa of the gun breeches, as grain is fed into a threshing machine, and with the mechanical

will accept service in Ottawa of the subpoena reported to have been issued subpoena reported to have been issued Shortly after noon was the time chosen for the infantry to rush forward under the cover of a final intensive chorus of hell from the artillery. Tridges in front and on either hand were flecked with racing sparks of flame. 50,000 AN HOUR IN ONE AREA.

Within an hour at least 50,000 shells must have been fired within sight of the correspondent. Far to the south was Mont St. Quentin, two miles from Peronne, and commanding that town which, the Allied commanders say, will fall like a ripe plum when the time comes. The bill lay hazy above the Peronne, and commanding that town which, the Aniel commanders say, will fall like a ripe plum when the time comes. The hill lay hazy above the green foliage of the river valley in the midst of vast bursts of black smoke from shells of enormous calibre. Directly in front was Combles, another town which has come to mean much to the imagination of the public in England and artment has been informed that France, who seem to regard its capture as of vital significance. Combles dif-Canadian aviators have recently fig-fered from all the villages in sight, in that the walls of many of its buildings were still standing. It was different, too, in the fact that it formed an oasis in the midst of the storm of battle. Neither artillery nor infantry paid any attention to it. The guage of battle was the high ground around it, the possession of which means the command of the town. Farther north lay the ruins

At the appointed time the waves of infantry surged forward to the attack. Then the tremendous fire of the German guns swelled to its utmost volume until the whole field was lost in vast clouds of smoke. The attacking infantry vanished in that grim pall, while high overhead scores of sausage balloons and hundreds of aeroplanes, their wings gleaming like silver in the brilliant sunlight, strove vainly to see what was passing beneath them. Then, across the dead fields arose a signal from Morval, which told that the British infantry PALL HANGS OVER FIELD. light, strove value to see what was passing beneath them. Then, across the dead fields arose signal from Morval, which told that the British infantry had reached another goal, and that another village was taken.

Presently the British wounded began to straggle back, and their bearing as they moved along beside their prisoners was another criterion by which the correspondent knew how the day had gone without making inquiries of the staff.

Mrs. Lizzie Hunt was charged by Mrs.

Beatrice Skinner with using abusive anguage.

The German machine guns had stopped them for a while at some points, but generally reports told of every position being taken on the minute set in the program. The British wounded said that, of course, they got there, as they were used to getting there. Their great gratification was that it was becoming EVERY POSITION TAKEN. problem, and characterizing it as an even fight since the Germans had no more prepared lines, but both armies neighbors' quarrel, Magistrate Judd were fighting in the open.

According to the British officers, the Germans on the fighting front have

no longer any trenches, except those which are dug under fire,

LONDON'S WAR LOAN SUBSCRIPTIONS UP TO \$1,500,000 MARK

May Possibly Reach Total of \$2,000,000.

MUCH SENT OUT OF TOWN

Campaign of Brokers and Institutions Drew Local Response.

That London's subscriptions to the war loan will reach \$1,500,000, probably \$2,000,000, is made evident by the amounts taken by the large financial institutions of the city. Five of them have subscribed \$900. The Huron & Erie has taken \$350,

000; the London Life Insurance Company \$350,000; the Ontario Loan and Debenture \$100.000: the Northern Life Insurance Company \$50,000, and the London & Western Trusts \$50,000. The amount of private subscriptions cannot be learned with any accuracy. The local financial institutions have handled considerable amounts, but large sums have been sent to outside brokers The latter undertook a big advertising campaign, and by persistently calling the attention of the public to the benefits of the loan succeeded in getting large amounts of money handed over to them, to be invested in these bonds. one financier estimated that possibly 5500,000 were sent to these firms. "London is doing its share," said rominent financial man to The Adver-"Our loan companies and insurance companies took large blocks of the first loan, much more than they were required to do. Now they are subscri
