Can Eat Anything Now.

How many Dyspeptics can say that? Or perhaps you are dyspeptic and don't know it.

Have you any of these symptoms?

Variable appetite, a faint gnawing feeling at the pit of the stomach, unsatisfied hunger, a loathing of food, rising and falling of the stomach, a painful load on you gloomy and miserable? Then you are a dyspeptic.

NATURE'S SPECIFIC FOR DYSPEPSIA.

Mrs. Laura Chichester, Belle Assis, Que., says of her wonderful curative powers, "Last winter I was very thin, and was fast losing flesh owing to the run-down state of my system. I suffered from indigestion, loss of appetite and bad blood. I tried everything I could get, but to no purpose; they finally started to use Durdock Blood Bitters. From the first day I felt the good effect of the medicine, and an new feeling strong and well again. I can eat anything now without any ill effects. It gives me great pleasure to recommend Durdock Blood Bitters, for I feel it saved my life."
