CANADA'S TRADE STABILITY. Statistics furnished by the Finan Department at Ottawa for the six months ending Sept. 30th, 1919 show a most encouraging state of affairs, even though there has been a decrease Campbellton, N. B. Oct 6th, 1919. in Canada's total trade s compare with the same six months of 1918. The total value of Canadian trade, expor voiced the sentiments of a large maj- 30th, 1918 was \$1,087,232,880: and for ority of the citizens of Campbellton the same period in the present year when he said , the time had arrived \$1,054,657,462 or \$32,575,418, less. But should be gone into at once.

If Campbellton is to keep pace with is remembered that last year the war rivers within a reasonable distance of signed, the decrease in exports is sur both agricultural and of manufactured
