PLEASANT TIME AT OPENING

The opening of the new fire station by a social dance by the firemen Tuesday evening was a most pleasant affair, and was largely attended. GUN PLAY AT NASH'S CREEK

Frederickton, N. B., April 6.—Revolver shots were fired and a sub-inspector under the liquor act was badly beaten in a fracas Monday night at Nash's Creek, Westmorland County. The parish priest was giving an entertainment and, having learned that some hoodlums were planning trouble, he had applied to the chief inspector, Rev. W. D. Wilson, for assistance. James Dickson, of Chatham, and John Gammon, of Bathurst, were detailed for duty there and were on hand when the rioters arrived and, it is reported, made an attack on members of the priest's party.

When the inspectors attempted to arrest some of the men who appeared to be under the influence of liquor a free fight followed during which the marauders used revolvers—happily without effect. Dickson downed one man but was tripped and received severe treatment at the hands and feet of the visitors before Gammon could rescue him.

Finally they drove off the attack and took one prisoner, who was charged with having liquor in his possession and also with interfering with the inspectors in the discharge of their duty. Other members of the gang may also have to face charges.

of a kind and affectionate mother, two daughters, Mrs. E. D. Ferris of New York and Mrs. Wellington Camp of Campbellton. She is also survived by three brothers, Chas. P. Baker of Fairville, Edgar Baker of Halifax and Frank Baker of St. John, and one sister Miss Emma Baker of St. John.

The remains were forwarded to St. John on Wednesday morning and were accompanied by Mr. and Mrs. Wellington Camp.

Interment was made in Fern Hill Cemetery, St. John.

COUNCIL MEETING LAST EVENING

Fire Alarm Improvement Held Over Until Next Meeting—Other Matters.

A meeting of the Town Council was held in the clerk's office last evening. His Worship Mayor Murray presiding. There were present Councillors McKay, Ingram, Matthews and Bissett.

The minutes of the previous meeting were read and confirmed. A letter from Wm. Flann re work at dumping ground asking for \$1.75 per day until May 31st, and \$15.00 per month for balance of season, was read and laid on the table.

A resolution was read from the Campbellton Board of Trade, asking the town to appoint a delegate or delegates to accompany the bridge delegation to Ottawa and press for the transfer of the L. N. E. lot east of Sugarloaf to the town.

Coun. McKay moved that the Council's representative on the Bridge delegation be sent to Ottawa be also authorized to attend to this matter—Carried.

The reports of the several departments were read and accounts ordered paid.

Coun. Matthews said that the Fire Protection Committee were not prepared to report on the improvement for fire alarm system. He thought as these called for four thousand dollars, the whole Council should deal with the matter.

Coun. Bissett said that if the fire alarm system was to be worked efficiently a switchboard was an absolute necessity. He would advise the buying of a four circuit board as the difference was only \$215.00.

Coun. McKay moved that the matter of Fire Alarm equipment be held over until the next meeting when the manager of the Electric Light department will be requested to attend to explain the matter—Carried.

Coun. Ingram reported that Mr. Chas. Alexander had agreed to hold the \$10,000 Water and Light bond if the interest was increased to 6 1/2 per cent. per annum.

Coun. Ingram moved a resolution covering this matter which was carried. The bond to run until maturity in 1934 at this rate.

Coun. McKay brought up the matter of the increase to the men at the Electric Light Station. He said that the managers' recommendations did not go far enough. He recommended that two men of the four be given increases. He (Coun. McKay) thought the manager should give an explanation why the other two men were discriminated against. He moved that Dolman and Nelson be given an increase of \$10.00 per month.

Coun. Ingram thought that his matter was settled and should be allowed to stand.

His Worship asked Coun. Bissett if he had anything to say.

Coun. Bissett said that the matter was threshed out and settled and he had nothing more to say.

Coun. Matthews agreed that the matter had been settled and should not again be brought up.

Coun. McKay's motion was not seconded.

Mrs. Du Guay through Mr. Wallace asked that she was establishing a Commercial College and would like to have the encouragement and assistance of the Town Council.

Coun. McKay said that he was sure he could assure Mrs. du Guay of the Council's sympathy in the matter, and moved that Mrs. du Guay put before the Council her request and when she did so it would receive the consideration of the Council—Carried.

Mr. W. H. Wallace was present and asked a number of questions which the Clerk was authorized to answer.
