THE PEOPLE'S PASTIMES.

WHAT IS GOING ON IN SPORTING CIRCLES THE WORLD OVER.

Harry Hutchens, the English professional runner, offers to give any man in the world 10 yards in 300 for \$250 a side. Most of the athletic clubs in the country will commence the season's practice to-day.

The Toronto lacrosse club will be out.

Chas. E. Courtney has already com-nenced work for his race with Wallace Ross. He is out every day on lake Cayuga.

Imp. Miss McGregor, by Macgregor—
What Care-I, left town on Tuesday last to join Charley Boyle's string at Woodstock

On the service state of the letter stating as symptoms, and the letter stating as symptoms, and the letter stating at symptoms, and the letter stating as symptoms, and the letter stating as symptoms, and the letter stating as for large illustrated treatise, giving means of certain cure, with numerous testimonials. Address World's Dispensary Medical Association, Buffalo, N.Y. Imp. Miss McGregor, by Macgregor—What-Care-I, left town on Tuesday last to join Charley Boyle's string at Woodstock. Advices from Woodstock are to the effect that the Boyle and Forles, strings are doing excellent work and were never in

Mesers. P. D. Ross, H. Burrows and V. I impbell have been elected to research the Press lacrosse club at to-day's

The Detroit driving club capital, \$25,000,

by Princeton out of imported Castaway, has been sold for \$700 to go to Kansas. Castillian was entered for the Dominion handicap at the May meeting.

Recently at a match at the Queen's theatre, Otago, N. Z., on a wager of £50 to £20 Donald Dinnie threw W. Dinnie two falls out of three in each style Cumberland and Scotch back-hold.

Beginning Tuesday, June 10, the Coney Island Jocaey club will inaugurate at sheeps head bay a running meeting to conhoped or desired; it is as much as is comhoped or desired; it is as much as is com-Sheeps lead bay a running meeting to continue 11 days. Sixty seven races will be tan and the prizes aggregate \$53,200.

this season. The steeplechase ground is in fair condition now, and at the coming races is bound to be in the best of order

Harry Dunn, recognized champion of England at the Cumberland style of wrestling, and H. A. Slade, the Maori, were matched to wrestle in that style the other day for \$500 a side. The Maori The league of American wheelmen have

718 members in New York state, 582 in Massachusetts, 516 in Pennsylvania, 306 in Ohio, 116 in Illinois, 24 in Wyoming, 15 in Texas, 10 in Colorado, 1 in Oregon. It has in all 3598 members.

Mr. Wm. Astor's yacht which is being built at Wilmington, Del., is expected to show more speed than Mr. James Gordon Bennett's Namouna and Mr. Jay Gould's Atalanta. She will be called Nourmahal, and will cost about \$50,000. Princess stands at the head of the win-

ning horses in New Orleans. She started 21 times, won 11, was second 5, and third once. Her winnings amount to \$2250.

Manitoba is second on the record with 5 wins out of 11 starts and \$1050 to his

The annual meeting of the English Rugby football union was held on Wednesday, March 26, in London. The only business discussed by the meeting was the question of "mauls in goal." The propositions to change the present rules were thrown out by a vote of 52 to 20.

Mr. Arthur Godson's two colts that he bought from Mr. O. B. Sheppard have joined W. E. Owens' stable. One is a

A new apparatus for registering the speed of trotting horses has been invented and patented by Thad. Ackley of Warren,

tion this afternoon in the Toronto fencing club rooms. There would probably have been thirty or forty more but for the unfortunate clashing of the convention with the meeting of the National Amateur inosse as ociation in the Toronto-Jacrosse club's rooms.

The Montreal horses Easter and Joy, Owen's string comprising Mandamus, Tal-lyho, Defiance, Chancellor and Blanton, and the Alexander's stables, Lloyd Daly, Scalper, Baccarat, Miss Archibald and Repeater are taking their work daily at Gates' race course, which is in really splendid condition. A matinee will probaby be given on the course the Saturday preceding the Ontario Jockey club's races at the up as it were for the big meeting.

has elected the following officers: President, Gso. Sleeman; lat vice-president, ture in existence.

McBean; 2d vice-president, A. McBean; 2d vice-president, volta-pavidson; secretary-freasurer, D. Allan, jr.; captain, James G. Harris; 1st lieuten-ant, B. Walsh; 2d lieutenant, G. N. Gibbs. The club has twenty-five fully equipped riding mambers. It is the intention to put riding members. It is the intention to put the club's grounds in good order and hold a grand tournament during the summer. As prophesied in these columns at the

As prophesied in these columns at the time of their recent wrestling match in Cleveland, O., Col. McLaughlin last night won the collar and elbow match at Detroit against D. C. Ross. The alleged stakes were \$2000 a side, but the real stakes were \$2000 a

Temperance Reform.
From Bystander in the Week. The senate has rejected the amendment application of the Scott act, and at the same time that exempting from its opera- annu tion the sale of beer and light wine. Yet both amendments in the eyes of those who

license for selling it is made the worse poison it becomes, because the greater is the inducement to adulteration. The sub-stitution of a lighter and more wholesom

A Rockland young man who was calling on a girl the other evening, when he father came in and abused him considerably and swore at him, and ended up by kick ing him twice, says he never before realized how sad a thing it was to be a victim of the foot and mouth disease.

The lovers' lamp, an English novelty, capable of burning eighteen hours without replenishing. What this country wants is a lamp that will stop burning for a few hours and then suddenly flare up bright and clear when the step of the old gentle.

man is heard on the top sta r. -Miss Mary Campbell, Elm, writes : "After taking four bottles of Northrop & Lyman's Vegetable Discovery and Dysper tic Cure, I feel as if I were a new person I have been troubled with Dyspepsia for a

"How can I leave thee? How can I bear to part?" plaintively asks a song-writer. There is no mystery about this weakness for pants can remove every obstacle to parting in at least 2.111 2.

-Persons of weakly constitution derive from Northrop & Lyman's Emulsion of Cod
Liver Oil and Hypophosphites of Lime and
Soda a degree of vigor obtainable from no
other source, and it has proved itself a most oined W. E. Owens' stable. One is a 2-year-old by Longstreet and the other a 3-year-old by Milesian, both out of Maumee. They are very promising and will be broke this spring and taken up in Bird, druggist, of Westport, says: *'I Bird, druggist, of Westport, says: *'I knew a man whose case was considered hopeless, and by the use of three bottles of this Emulsion his weight was increased twenty pounds."

and patented by Thad. Ackley of Warren,
O. It is called a speed indicator, and
looks something like a watch, with a
diameter of three inches. It can be attached to a sulky shaft, and started or
stopped by the driver's foot.

It is probable there will be upwards of a

-"They say love laughs at locksmiths" and we all know that a million combination locks won't keep the average small boy in the house if there happens to be a circus in town or a favorable opportunity open for fixing a tin pot attachment to an orphan dog's tail, but only give him one of the Li-Quor Tea company's attractive boy's books and the enthusiastic way in which he will whistle "Home sweet home" —and stay there too, is surprising.

Gates' race course, which is in really splendid condition. A matinee will probaby be given on the course the Saturday preceding the Ontario Jockey club's races at the Woodbine pack, just to shake the horses up as it were for the big meeting.

The Riyal' City bioyele club of Suelph has elected the following officers: Presis.

A TRAGIC EVENT.

A Father's Despair and Self - Inflicted Death-His Son's Final Rescue-Too Late to Save His Parent. The graphic occurrence that is described below is one of the most remarkable episodes in the domestic history of America.

much of his interest for things about him. He tried manfully to overcome these feel-- Victims of youthful indiscretions suffering from nervous debility, lack of self-confidence, impaired memory, and kindred symptoms, should send three letter stamps for large illustrated treatise, giving means The father became alarmed and consulted physicians as to the cause of his son's illness, but they were unable to explain. Finally severe sores broke out on his arms and he was taken to Buffalo where a painful operation was performed resulting in the loss of much blood but affording little relief. The young man returned home and a council of physicians was cal-The senate has rejected the amendment ded. After an exhaustive examination they declared there was no hope of final recov-

ery and that he must die within a very few days. To describe the agony which this announcement caused the father would be impossible. His mind failed to grasp the full meaning at first; then finally seemed to comprehend it, but the load was too great. In an agony of francy he saized a will revive the Hamtrammick race course. It will have a meeting, June 24 to 27, with form oratory are reasonable, and ought to knife and took his own life, preferring It will have a meeting, June 24 to 27, with \$2200 offered in prizes.

Mr. B. J. Coghlins Easter and Ivy arrived here from Montreal yesterday to train for the Woodbine races. They will be in charge of Joe Warder.

Prince Leopold was an honorary member of the Shamrock club of Montreal, and in the annual report of the club a tribute was paid to the memory of the prizes.

In an agony of frenzy he seized a knife and took his own life, preferring death rather than to survive his idolized son. At that time William Rindge was too weak to know what was transpiring, the fact that time William Rindge was too weak to know what was transpiring. His face had turned black, his break of the kind that the enterprise who are charged with their execution is upheld by the sentiment of a great major, the annual report of the club a tribute was paid to the memory of the prizes.

In an agony of frenzy he seized a knife and took his own life, preferring death rather than to survive his idolized son. At that time William Rindge was too weak to know what was transpiring, the fact that time who what the send that time the annual report of the club a tribute was paid to the memory of the prizes.

In an agony of frenzy he seized a knife and took his own life, preferring death rather than to survive his idolized son. At that time William Rindge was tow was to know what was transpiring, the fact was the fact who what was transpiring, the fact was the fact which he was sufferent the four proposed to the fact was a deal electry, and worse that there is an interpret to the prizes.

In the four and three-quarter mile steeple have he was a sufferent proposed to a their violation breefs a general division of which were passed it was preferred to the prizes.

In the four and that times the arm of those which he was sufferent was preferred to the prizes.

In the four was an three capuation the fact with the fact was a deal electry, and worse the fact was a deal electry, and worse the fact was a deal electry, and worse the fact was a deal electry, an

strengthened by the acquisition of Mr. Herbert R. Lyon formerly of the London branch of the Molson bank, who has been transferred to this city.

The brown filly Castillian, 3 years old, by Princeton out of imported Castaway, by Princeton out of imported Castaway, wine-growing countries affords conclusive proof. If it is true that a man cannot venture on his glass of wine without "toppling over" into the abyss of intemperance, how comes it to pass that drunkenness is so rare and has always been held so disgraceful in Spain? Whisky, once more is the real poison, and the higher-the license for selling it is made the worse. ccept as true.

However sad this case may be the truth

remains that thousands of people are at this moment in as great actual peril as Sheeps lead bay a running meeting to conhine II days. Sixty-seven races will be an and the prizes aggregate \$53,200.

Mr. Duggan will have the harrow on the Woodbine track to-day for the first time this season. The steeplechase ground is in horrible in their final stages. They are far more deceptive than Consumption, and can rarely be detected, even by skilful physicians unless a microscopic analysis be resorted to, and few doctors understand how to do this. Their slightest approach, or possibility of approach should strike terror to the one who is threatened as well as to all his or her friends. These as well as to all his or her friends. These diseases have no distinct symptoms, but come in the form of lassitude, loss of appetite, aching muscles and joints, dull headaches, pains in the back, stomach and chest, sour stomach, recurring signs of cold, irregular pulsations of the heart and frequent dizziness. If neglected, these symptoms are certain to run into chronic kidney and liver or Bright's disease, from which there is sure to be a great amount of agony and only one means of escape, which is by the use of Warner's Safe Cure. number of years, and tried many remedies, but of no avail, until I used this celebrated Dyspeptic Cure." For all impurities of the blood, sick headache, liver and kidney complaints, costiveness, etc., it is the best medicine known.

The importance of taking this great remedy upon the slightest appearance of any of the above symptoms cannot be too strongly impressed upon the minds of all readers who desire to escape death and pain and prolong life with all its pleasures and bless-

"Oh. Where Have the Old Folks Gone? writer. There is no mystery about this parting business. A six-foot father with a heavy cane and an active bull dog with a week nees for parts can remove every ch. staying too late.

-Hall's Hair Renewer renews, cleanses brightens, and invigorates the hair, and restores faded or gray hair to its youthful color and lustre. People with gray hair efficient protection to those troubled with a locks that they are becoming aged, and
