Aaron Ross, Esq.

This Company is now issuing Five Hundred Dollar Investment Bonds, payable in Ten years from date of Issue, affording all the advantages of compound interest accumulations on small sums of money. These Bonds are the obligations of this Company and are specially protected by a Sinking Fund, invested in first-class Real Estate Mortgages. They are plain, definite contracts, subject to no contingencies whatever, are non-forfeltable after one annual payment, with values definitely stated thereon. For a small outlay they secure a fixed and generous return.

Young Men and Women and persons of moderate means are solicited to examine carefully the plan of these Bonds and note the fact that \$3.90 Monthly, \$11.30 Quarterly, \$22 Half-yearly, or \$42.70 Annually, will produce Five Hundred Dollars at the end of Ten Years, affording thereby unequalled opportunities for saving and accumulating money, and all at very moderate cost.

The Company is prepared to receive applications from reliable agents at all points where it is not already represented.

MONTREAL, September 9th, 1887. To the Canada Sugar Refining Co'y, Montreal; Gentlemen,—I have personally taken samples rom a large stock of your Granulated Sugar, "REDPATH" brand, and carefully tested them by the Polariscope, and I find these samples to be as near to absolute purity as can be bitained by any process of Sugar Refining.

The test by the Polariscope showed in yesteriay's yield 99.90 per cent. of Pure Cane Sugar, which may be considered commercially as and find that it yielded 99.88 per cent which may be considered commercially as Sugar. It is practically as pure and 1 sugar as can be manufactured.
