#### GREAT AGRICULTURAL WORK!

THE FARMER'S GUIDE TO  
Scientific and Practical Agriculture.

By HENRY STEPHENS, F.R.S.E.,  
Author of the "Book of the Farm," Editor  
of the "Quarterly Journal of Agriculture,"  
&c., &c.

Assisted by  
JOHN P. NORTON, A. M.,  
Professor of Scientific Agriculture in Yale  
College, New Haven, Author of Agricultural  
Prize Essays, &c., &c.

This highly valuable work will comprise two  
large royal octavo volumes, containing over  
1400 pages, 18 or 20 splendid steel en  
gravings, and more than 600 etgravings on  
wood, in the highest style of the art, illustrat  
ing almost every implement of husbandry  
now in use by the best farmers, the best ma  
thods of ploughing, planting, haying, harvest  
ing, &c., &c., the various domestic animals  
in their highest perfection; in short, the pic  
torial feature of the book is unique, and will  
render it of incalculable value to the student  
of agriculture.

This great work is the joint production of  
two of the most talented agricultural scholars  
of the day: the one eminent as an author and  
editor in Great Britain, and the other as a  
Professor in Yale College. Both are emi  
nently practical as well as scientific men, and  
all they say may be relied on as the result of  
profound research, tested and sustained by  
practical experience. The contributions of  
Professor Norton are chiefly designed to adapt  
the British portion of the book to this country,  
and thus to make it an Anglo American work,  
giving to its readers all the really useful agri  
cultural knowledge at present attainable in  
either country.

The work is divided into four departments,  
distinguished by the four seasons of the year,  
commencing with Winter, and Prof. Norton's  
notes will be published as an appendix  
to each part. The first chapter treats of the  
following subjects, under the head of  
INITIATION  
On the best of the existing Methods for ac  
quiring a thorough knowledge of Practical  
Husbandry  
On the Difficulties to be encountered in  
learning Practical Husbandry, and on the  
Means of overcoming them.  
On the Different kinds of Farming.  
On the Persons required to Conduct and  
Execute the Labor of the Farm.  
On the Branches of Science most applica  
ble to Agriculture.

On the Institutions of Education best  
suited to Agricultural Science.

On the evils attending the neglect of  
Landowners and others to learn practical  
Agriculture.

On observing the details and recording the  
facts of Farming by the Agricultural Student.

Terms of the Work.—The American edi  
tion, the first number of which is already is  
sued, will be published in semi-monthlies of  
64 pages with an English steel engraving in  
each number, of which there will be about  
22 in all. PRICE, 25 CENTS PER NUMBER.

#### CLUBBING.

Three Copies will be sent to one address  
for \$15: 5 copies for 18. Cash in all cases  
to be remitted direct to the Publishers, and  
not through Agents.

The work will be sent in numbers at peri  
odical rates of postage, and mail remittances  
may be made at the risk of the Publishers.

All orders and communications should be  
addressed, post-paid, to  
LEONARD SCOTT & CO., Publishers,  
79 Fulton Street, Entrance 54 Gold Street,  
New York.

#### Assessor's Notice.

NOTICE is hereby given, that the undersigned  
Assessors will receive at the office of Ed  
ward Wilson, until the tenth day of June next,

#### Holloway's Ointment.

EXTRAORDINARY CURE  
OF A CASE ABANDONED BY OTHERS. THE "HOLLOWAY"  
JAN. KING'S COLIC, AND CHOLERA  
CROSS HOSPITAL, LONDON.

This Affidavit was sworn to before the Lord Mayor  
of London.

WILLIAM BROOKE, of No. 2, Union Street  
Southwark, London, Esq., deposes, making Oath  
and swears that he (this deponent) was afflicted  
with FIFTEEN RUSSIAN ULCERS on his Left Arm  
and Ulcerated Sores and Wounds on both Legs,  
for which the deponent was admitted an out-door  
patient at the HOSPITAL OF ST. GEORGE, in April  
1841, where he continued nearly Four Weeks  
unable to receive a cure there.

THE DEPONENT sought relief at the three  
following Hospitals—King's College Hospital,  
in May, for five weeks, at Guy's Hospital, in  
July, for six weeks, and at CHARING CROSS Hos  
pital, at the end of August, for some weeks  
more; which the deponent left in a far worse  
condition than that in which he had quitted Guy's  
when Sir BRADSHAW COOPER, and other medical  
Officers of the Establishment had told the depon  
ent, "that the only chance of saving his life was to  
lose his Arm."

THE DEPONENT, thereupon, called on Dr.  
Bright, chief physician of Guy's, who, on view  
ing deponent's condition, kindly and liberally ad  
vised him to do as he thought fit, but he was  
in a half swoon, so he went to Mr. Holloway, and  
what effect his Pills and Ointment will do, he  
here frequently witnessed the wonderful Effects the  
same in Dependent Cases! You can't see me any  
more!

THIS UNPREJUDICED advice was followed  
by the deponent, and a permanent Cure was ex  
pected in THREE WEEKS by the use of Holloway's  
Pills and Ointment, after THREE HOSPITALS had  
failed: When Dr. BRIGHT was shown, by the  
deponent, the result of his advice and therapy, he  
said, "I am both astonished and delighted! for I  
thought, that if ever I saw you again it would be  
without your Arm—I can only compare this cure to  
a charm!"

Witness my Hand and Seal at the City of London this 6th  
day of March, 1842

Before me, J. FINE, Mayor

This extraordinary Ointment will cure the  
most Dangerous Wounds and Ulcers, Bad  
Legs, Bad Breasts, Sore Throats, Sore Throats,  
Chiefton-Yaws and Croon-Ray, on Arteries,  
Kiss's Erys, Stoney
