

Toronto Markets.

CANADIAN CHURCH PRESS OFFICE, Wednesday, Sept. 5th, 1860.

Since our last, the supplies have considerably increased, and the prices of the staple grains have had an upward tendency. In England, the crops indicate a poor harvest, and the prices of breadstuffs had either advanced or continued firm. The American papers, however, state in glowing terms the prospects of the very abundant harvest there, and the present prosperous state of that country.

FALL WHEAT.—The supply of this grain since our last has been about 7,000 bushels. Prices have advanced three cents per bushel. The best grades are worth from from \$1.22 to \$1.27 per bushel; common and inferior grades from \$1.15 to \$1.20 per bushel. The samples of new grain are very good, and each day's deliveries show signs of improvement.

SPRING WHEAT has been offered in very small quantities, and prices have ruled at from \$1 05 to \$1.10 per bushel.

FLOUR.—The trade in this article continues dull. For the higher grades there is no demand; and the transactions in lower grades are simply for home consumption. Superfine, \$5.20. fancy, \$5.40 to \$5.50, extra, \$5.75 to \$6, and double extra, \$6.25 per barrel.

HAY.—The supply of this article has improved, and prices range at from \$16 to \$20 per ton.

STRAW is still very sparingly brought to market. It fetches from \$5 to \$7 per ton.

BUTTER has been only in limited supply, and prices are somewhat lower. Prices during the week have ruled from 17c. to 20c. per lb. Tub butter is steady, with an active inquiry at 12c. to 13c. for good No. 1.

Pears bring from 12c. to 15c. per doz.

FRUIT is very plentiful. Peaches from 75c. to \$1.25 per basket. Pears, \$2 to \$5 per barrel. Plums, \$1 to \$2 per basket. Apples, \$1.50 to \$2 per barrel, according to quality.

POTATOES are in abundant supply, at from 30c. to 40c. per bushel.
