Giving to customers cash discounts on orders. We catalogue that best of all bush beans, the Warren, and that best of all early peas, the Excelsior. No other Seed Catalogue, of America or Europe, contains so great a variety of several of the standard vegetables, and, in addition, are many choice varieties peculiarly our own. Though greatly enlarged in both the vegetable and flower seed departments, we send our catalogue FREE to all. The three warrants still hold good, and our customers may rely upon it, that the well earned reputation of our seed for freshness and purity will continue to be guarded as a most precious part of our capital. MISCELLANEOUS.

The German Government has ordered statistics to be got showing the exact average output of gold every year from all gold-producing countries.

"Handsome is that handsome does," and if Hood's Sarsaparilla doesn't do handsomely then nothing does. Have you ever tried it?

The largest sheep ranch in the world is said to be found in the counties of Dimmett and Webb, Texas. It contains upward of 400,000 acres, and yearly pastures from 1,000,000 to 1,600,000 sheep.

BEST EVER MADE.

Dear Sirs,—I can highly recommend Hagyard's Pectoral Balsam as the best remedy ever made for coughs and colds. I am never without it in my house.

Miss Mary Anderson's daily relaxation when travelling is chess, and care is always taken that a chess outfit is provided on the train by which she travels.

DEAFNESS CURED.

Sirs,—For years I was troubled with deafness, and last winter could scarcely hear at all. On applying Hagyard's Yellow Oil it restored my hearing and I now hear as well as anyone. Mrs. Tuttle Cook, Weymouth, N. S.

Mr. Wemyss Reid, Doctor of Laws of St. Andrew's University, is a tall, robust, good-looking man of 50 years of age, with an iron-grey beard. His father was the Rev. Alexander Reid, of Newcastle-on-Tyne.

Let's reason together. Here's a firm, one of the largest the country over, the world over; it has grown, step by step, through the years to greatness—and it sells patent medicines!—ugh!

"That's enough!"—

Wait a little—

This firm pays the newspapers good money (expensive work, this advertising!) to tell the people that they have faith in what they sell, so much faith that if they can't benefit or cure they don't want your money. Their guarantee is not indefinite and relative, but definite and absolute—if the medicine doesn't help, your money is "on call."

Suppose every sick man and every feeble woman tried these medicines and found them worthless, who would be the loser, you or they?

The medicines are Dr. Pierce's "Golden Medical Discovery," for blood diseases, and his "Favorite Prescription," for woman's peculiar ills. If they help towards health, they cost \$1.00 a bottle each! If they don't, they cost nothing!

The newest fad in table decorations is to color the water in the finger bowls in harmony with the dinner scheme. A few drops of harmless fluids produce, by lessening or increasing the little used, the exact tint required.—New York Times.

Coughs and colds are often overlooked. A continuance for any length of time causes irritation of the Lungs or some chronic Throat Disease. Brown's Bronchial Troches are offered, with the fullest confidence in their efficacy, giving almost invariably sure and immediate relief. 25c. a box.

On festival occasions the Czar of Russia receives the homage of his subjects seated on the famous throne of diamonds, which was presented in 1669 by the Isphahan Company to Czar Alexis Michaelovitch, father of Peter the Great.

GUARD AGAINST CHOLERA.

Keep the blood pure, the stomach in good working order, and the entire system free from morbid effete matter by using Burdock Blood Bitters, which cleanses, strengthens and tones the whole system. Cholera cannot attack the healthy.

The most noted Chinese doctor in the country has just died in San Francisco. He was Li Po Tai. He came from Canton about 1850 and built up a large practice, having white people as well as his own countrymen for patients. The Emperor a few years ago sent him the highest Chinese medical diploma.—New York Tribune.

WHAT CAN BE DONE.

When the system is overloaded with impurity, the circulation sluggish, and the stomach out of order, as is often the case in spring time, there is no remedy so efficacious as Burdock Blood Bitters to remove every trace of impure matter and restore perfect health.

India in 1892 had 127 cotton mills at work, containing 24,670 looms and 3,273,090 spindles, and employing 118,000 persons.

FOR SEVERE COLDS.

Gentlemen,—Having suffered for over which I took Dr. Wood's Norway Pine Syrup. I find it an excellent remedy, giving prompt relief and pleasant to take.

AYER'S SARSAPARILLA

M. Hammerly, a well-known business man of Hillsboro, Va., sends this testimony to the merits of Ayer's Sarsaparilla: "Several years ago, I hurt my leg, the injury leaving a sore which led to erysipelas. My sufferings were extreme, my leg, from the knee to the ankle, being a solid sore, which began to extend to other parts of the body. After trying various remedies, I began taking Ayer's Sarsaparilla, and, before I had finished the first bottle, I experienced great relief; the second bottle effected a complete cure."
