

MONTREAL MINING EXCHANGE

MONTREAL MINING EXCHANGE.

Reported by W. I. Fenwick, Exchange Court, 10 Hospital Street. Bell Tel. Main 2055. Bell Tel. Up 1867.

MARKET IRREGULAR—LOWER PRICED STOCKS BEING DEALT IN — GOLDEN STAR FIRMER — RAMBLER CARIBOO DECLARES A DIVIDEND.

Montreal, Nov. 9.

Trading was irregular, running into specialties and undetermined in character.

Altogether nine issues were dealt in, embracing some 18,000 shares; transactions were mostly in the lower priced stocks, the dividend payers being entirely neglected.

The shipment of ore from the Slocan district for October was not quite up to the September average.

The Rambler Cariboo is again a new aspirant for dividend honors, having just declared its third dividend. The directors have ordered the payment of 1 per cent. per share, payable on Dec. 1st. The amount to be expended will be \$10,500. The capital stock is 1,250,000 shares of \$1 each. The return of the Rambler Cariboo into the list of dividend payers is another evidence of the intrinsic worth of the Slocan stocks, and also of the district. The company had previously paid two dividends.

Development work on the Morrison is said to be progressing at the rate of ten feet daily; it is soon hoped that it will become one of the leading shippers in the Boundary Creek district.

One thousand shares of Golden Star sold at 31½. The last sale was made at 33½, but this was some times ago. The demand this morning was fairly good.

Transactions were made in Noble Five, which sold at 18½, and Monte Christo at 5½, 5000 shares changing hands.

Iron Colt was also dealt in to the amount of 500 shares at 4½ cents.

The trading in Big Three amounted to 4000 shares, all of which took place at 12 cents; 11½ was freely bid, but holders of the scrip were firm at 12.

Deer Trail sold at 21 to the amount of 1000 shares, and California was unchanged at 12½, 1500 shares changing hands.

Of the unlisted stocks Giant was dealt in selling at 5½ and 5, 3000 shares were sold.

MORNING SALES.

- Noble Five—500, 18½.
- Golden Star—1000, 31½.
