

REPORT F.—“*On the Country in the vicinity of Red Lake and part of Berens R., Keewatin,*” by D. B. Dowling. In this report the physiographic and geologic features of the district are indicated, together with interesting notes of observations made.

REPORT J.—“Report on that portion of the Province of Quebec comprised in the S.W. quarter sheet-map of the Eastern Townships of Canada,” by R. W. Ells, F. D. Adams and H. M. Ami.

REPORT M.—“On the Surface Geology of East New Brunswick, N.W. Nova Scotia and a portion of P.E.I.,” by R. Chalmers. In this report the topographical and physical features of the district are delineated, the Tertiary or Preglacial and early and later Pleistocene deposits are described. The agricultural capabilities of the district, its forests and minerals, as well as materials of economic importance are pointed out.

REPORT R.—This is the report of the Chemical and Mineralogical Branch of the Department, by G. C. Hoffmann. Analyses of coal, gold and silver assays, analyses of iron, nickel and cobalt ores, natural waters, and miscellaneous examinations of material from the various Provinces of the Dominion are given.

REPORT S.—“Mineral Statistics,” Reports for 1893 and 1894, by E. D. Ingall.

This very important and instructive contribution to our knowledge of the mineral, forest and other natural resources of our vast Dominion is accompanied by maps, sections and illustrations which greatly enhance the value of the volume. Eleven geological and topographical maps are included in the above, besides fourteen plates illustrating different sections of country and exhibiting remarkable features of more than usual interest.—H.M.A.

JOURNAL OF GEOGRAPHY.

The Journal of Geography, 41 North Queen Street, Lancaster, Pa.

For many years past there has been felt a growing need of some journal or periodical which would assist in geographical studies and research in America. To satisfy this long-felt want, a number of enthusiastic professors, students of *geography* in the strict sense of the word have just issued. *The Journal of School Geography*. The January and February Nos. 1 and 2, 1897, have just reached us. The editorial staff consists of well-known workers in the field of geography. Besides original articles of strict accuracy and scientific value, the *Journal*
