ATTENTION OF SUBSCRIBERS is required to the following conditions: This sheet is a strictly confidential communication, and is prepared and furnished at a price agreed upon to our yearly subscribers only at their own request, and for their guidance and protection in business. It is not to be shown, or its contents made known to any other persons, but it is subject in all respects to the provisions of the contract or "Terms of Subscription," signed by subscribers and in our possession. The words "If interested inquire at the Office," inserted opposite names on this sheet, do not imply that the information we have is unfavorable. RECORD ITEMS do not necessarily affect the credit or safety of the parties mentioned. They are given just as we find them in prints and on the public records, and suggest further investigation and explanation.
