

¶ Doctors should be interested in "ROYAL HOUSEHOLD" Flour because they are interested in the purity of food.

¶ There is no doubt that "ROYAL HOUSEHOLD" is the purest—absolutely the purest flour on the market.

¶ Our present process, the newest and most thorough method of milling, which we control, makes it so.

¶ Being the purest, it is necessarily the most wholesome.

One point more: Being milled from the best (and only the best) Manitoba Hard Wheat, it is richest in gluten, and therefore most nutritious.

¶ It is really worth a doctor's while to know all he can about "ROYAL HOUSEHOLD" Flour.
