Seven Springs Iron & Alum Mass.

PREPARED BY

LANDRUM & LITCHFIELD,

ABINGDON, VIRGINIA.

— This valuable preparation is the solid substance of SEVEN MINERAL SPRINGS in Washington county, Va., and is reduced to a "Mass" by evaporation. The following analysis, made by Prof. J. W. Mallet, finds it to consist chiefly of IRON, ALUMINA, MAGNESIA, GLAUBER SALTS, and LIME.

Analysis by Prof. J. W. Mallet, of the University of Virginia.

The Mass appears as a stiff dough, or soft solid, of light gray color, and marked acid reaction to test-paper. The contents of several bottles having been thoroughly mixed, the following composition was found for the mixture in 100 parts:

Aluminum Sulphate.....	15.215	Potassium sulphate.....	.060
Ferric sulphate (per-sulphate iron).....	4.628	Sodium sulphate.....	.226
Ferrous sulphate (proto-sulphate iron).....	.412	Lithium sulphate.....	.019

Zinc sulphate.....	.301	Silica.....	1.504
Magnesium sulphate.....	16.006	Organic matter.....	.123

A CARD TO THE MEDICAL PROFESSION.

We, the physicians of Abingdon, Washington county, Virginia, having tested the merits of the "IRON AND ALUM MASS," as made from the "SEVEN SPRINGS" in this county, believe it to be a most excellent "medicine," and is a valuable contribution to "*Materia Medica.*" It is a remedy which combines Tonic, Alterative, Diuretic, and Antiperiodic properties, to such a degree as to deserve more than a mere mention at our hands.

We have used this "Mass" in a number of cases, especially in chronic cases, and it has proved satisfactory in almost every instance. We deem it unnecessary to mention in detail the different classes of diseases in which this medicine is applicable, as the analysis itself will indicate its application. There is, however, no virtue in the combination than is at first glance suggested. We therefore take pleasure in recommending this "Mass," (and water from these springs) to the favorable consideration of the medical profession, feeling assured that it will prove satisfactory.

Respectfully,

I have been using the "Seven Springs Iron and Alum Mass" in my practice, and find it a most excellent remedy for Chronic Bronchitis and Throat Affections, Torpid Liver and Kidney Affections, Chronic Diarrhea and Constipation, Dyspepsia, Nerves and Sick Headache, and in the treatment of some of the diseases peculiar to females I have found it to be very valuable; Leucorrhœa, Amenorrhœa, Dysmenorrhœa, Menorrhagia, Anæmia, Chlorosis, Dropsy, Chronic Catarrh of the Uterus, and in all cases in which it is desired to improve the impoverished condition of the blood.
