## MARRIAGE.

- May 26.—James-M. Thrush to Elizabeth.H. Morehouse.

It is with the deepest regret that we record the sudden death of Mr. T. S. Plumb, eldest son of Senator Plumb, of Niagara, who died on the 20th May. The deceased was born at Albany, N. Y., in 1850. He was educated in England, at Rugby and Oxford, where he took an excellent degree. He was subsequently called to the English bar. On coming to Canada, he joined the firm, with Mr. John Hoskin, of which he was a partner at the time of his death. He was married to a daughter of the late Mr. Foster Elliott, of New Orleans, who survives him with two children, a boy and a girl. He was a man of great industry and ability, and was fast winning a prominent place in the profession.—*Dominion Churchman.*

OFFERTORY.—May 3rd, \$43, and for the Widow of a deceased Clergyman, 45.65; and for Divinity Students' Fund (additional), \$9.86; 10th, \$47.76, and additional for Widow of clergyman, 50cts.; Ascension Day, for Rev. C. E. Whitcombe's expenses, \$17.50; for the Relief Fund for Soldiers' Families, \$21; 17th, \$48.50, and for Mission Funds, \$69.32; 24th, \$47.92. Total Parochial, \$187.18. Corresponding period last year, \$193.17.

FROM ST. CATHARINES.—A pleasant surprise awaited the Rev. R. J. Moore on his return to this place last week, to remove his family to a new sphere of labour in Toronto. During his absence of six weeks, his old parishioners made up a purse of \$146, which was presented by the Churchwardens of St. George's Church, in grateful appreciation of his work in the Parish during the past three years.—*Dominion Churchman.*

CONFIRMATION.—On Whitsunday the Confirmation took place, and twenty-four candidates were presented to the Bishop for "the laying on of hands." After shortened Evensong, which was sung by the Rector, the Bishop proceeded to the chancel steps, and delivered a most practical address, pointing out first, the appropriateness of the day for the Apostolic rite, and then the office of the Holy Spirit. During the interval that elapsed between the presentation of the male and female candidates a hymn was sung. The services was one of more than usual warmth and solemnity.

## VESTRY MEETING.

There was a special Meeting of the Vestry on 18th May, to arrange for the erection of the Mission Hall, and to consider the question of painting the Church. There was a fair attendance, including a number of members of the Congregation, besides those who are also members of the Vestry,

It was explained that difficulties had presented themselves in carrying out the previous decision of the Vestry to purchase the site for the Mission Hall instead of leasing it, and a resolution was therefore passed for taking on building lease renewable, and the committee were instructed to proceed with the matter.

A By-law was then introduced to provide for raising the amount necessary for certain improvements to the Church, those contemplated being chiefly the painting and decorating of the interior, and sheathing the ceiling, in order to improve the acoustic properties of the building. The latter proposal did not seem to meet with much favour, and was dropped. Mr. Browne urged the slating of the roof before proceeding with the interior work, and his suggestion was embodied in the proposed scheme. With regard to the decoration a discussion arose as to the design to be adopted. It was stated that a design had been made, but it was not submitted to the
