#### FRIE CHURCH, COTE at. MOSTREAL.

At the innual incoting, which was jarcely attend

At the annual inceting, which was largely attended, the packet, key De. Barns at the Chair looports were submitted from the Session, the Doucon's court, the Satora is School, fooding Mons Association, the Dorens Soviety, the orinination Mission, Ac, all subwing most one magning process. The following items are cultied from the printed report of Aspiace, just received.

"The Ordinary income accessed from the printed report of Aspiace, just received.

"The Ordinary income accessed from Packets and Sabbath Collections 1520s 11, in advance or last year, and \$748 (25 octo) that of 1809. The formount realized for the support of the poor also shows an increase of \$191.5°, a compact of the poor shows an increase of \$191.5°, a compact of \$14.37, which with 120 (0), for the Portus Seciety, makes \$293.97, for the poor.

"The Missionary collectors also have been doing their duty factbridly and well, an accesse of \$19.4° and the factorial of the Ceneral Association is underliked the Ceneral Association, and the contraction of the Ceneral Association and the contraction of the laws been also and show an increase of \$100 or the contraction of the Ceneral Association and the Ceneral Association and the contraction of the Ceneral Association and the Ceneral Association and

their duty faithfully act will, as accrease of \$749.7 has been made of the time in \$750.

"The usual collections authorize the the Ceneral Ase abby, as well as for special parts leave been at all any during the year and show an increase over former years."

"The Sabiath School is under the abde Superm tendence of Mr. Morrice, and is the about ming condition. The teachers have met every Sabbath morning for the preparation of the lesson. This moding is ably presided over by Judge Torrance. A well attended meeting is held by the Teachers immediately after the dismissal of the School, when the subject for next Sabbath's tesson is read and preyer offered for the them, the same the subject for next Sabbath's tesson is read and preyer offered for the them the subject for mean and the same the state of the field of the f

taken up at each meeting for a Ironea Student's Scholarship."

"The guin total of contributions for the year, is \$9,001.48; but we understand that their are some omissions madver antiv made in the Missionary departments which would make at round the monde figure of \$1,000. Of this \$5,121.40 comes under the lead of the Sustantation Fund. The remainder has been dearly to this \$5,121.40 comes under the lead of the Sustantation Fund. The remainder has been dearly to the desired and benevous it purposes. The Deacon's court, in confiniction with the Session, agreed to recommend the composation the formation of a "Missionary and Honovo lent Society," which was organized at the annual meeting with the Pastor Exception for President. The Session and Deacon's court with 12 others from the congregation as the Board of Management. The Society, we hard, so going or far entally, and promises to accomplish much good in the way of systematizing the contributions of the Society and developing latent energy.

The Pastoral statistics are briefly as follows; Raptisms, 33, Fauryals, 24 Marriages, 11 Communion Red, 507. Meetings attended 201. Viets.

The Pastoral satisfies no partial at the Haptisms, 33, Functule, 24 Marriages, 11 Communion Roll, 507; Meetings attended, 291 Visits and calls, 777.

#### BARRIE PRESBYTERIAN SABBATH SCHOOL

ANNUAL REPORT FOR 1871.

As the dufer at assess of the year come and go, we are not rin, bugins in little least, or grace peculiar to each, or impressed with a deep sense of gratified to tied for the particular bounce of fils Providence, with which each is loaded, but urther we are remainded, that each season suggests dufies appropriately its own. Some of these dufies are grave and weighty, others pleasant and light, and gradsome that the one now devolving upon no be longs to the latter class. As the servant of the Association of subboth seaso of teachers in connection with this congregation. I have to express the great satisfaction which they always have in meeting with the parents of their scholars on any occasion back-pecually on sathernas less the present of arther I have to present you with my animal to perform the past year. In my last one, I said the property of the school during letters and the cheecel fell carges or ally and take the property of the school during letters and the cheecel fell carges or all the action of the second of the s

in the we had great reason "to thank God and take contage and the chose of 15.1 loans as an the state hopeful condition. Napoleon the 1st once said that there was nothing like success to be successful, and with our past success to the careonage us, I feel certain, that our eshool will continue to be successful, not morely in keeping, and even addron, the present number of populs, but what is infinitely teeter, proving instrumental in cools hand in load on, some of them to decide for Crist in early life that; it was desired on Sait and school to I of a since it is not extend to the control of Crist in early life that; it was desired on Sait and school to I of a since it is not estimation of our I branch faster. Our material advancement, at least, has been very marked during, the past three years. In 1869 there were 15 Salbaths while the attendance was below 100, in 1870 they were reduced to five, and I have only one recorded for 1871. Again in 1869 the accesse actioniance was 101 during 1870 three to 120, an increase of 22 over the provious verr, and in 1871 the cached 141 an increase of 10 above 1872 and 57 oct. 140. During 196 3 years in ferred to we have lost 17 teachers, through increases in move 1872 and 57 oct. 140. During 196 3 years in ferred to we have lost 17 teachers, through increases, from one way task, but the difficulty has been surmounted in a cry satisfactory manner. Out of the 16 Teachers we had at the close of 1870, 6 of the number laid down their commission during 1871. The vacancles have been filled up, however, besides adding two additional ones to our ranks, giving us at present a staff of 15 efficient, energetic Teachers. Our as sociation has also 1 Superintendent, 1 Librarian and 2 assistants. The 3 last named officers have been filled up, however, besides adding two move leases during the past year, no changes have been filled up, however, besides adding two move leases during the past year, no changes have been filled up, however, the teachers. Our as sociation has also 1 superintenden

remain at the head of your School I will continue to foster the affile on a rio aron, a souch as passed weal.

Besides the proceeds from the Mesicalary Boxes wells, and principally for your childrens future weal.

Besides the proceeds from the Mesicalary Boxes will and the mesical sulpseon annual Provent August and last the from our very frontial the shows tree in December, the sum of \$45.05, \$25.05, \$10.000, \$10.

the profer modeling of them I will the a relationship to refer modeling I will the a relationship to refer modeling I will the a relationship to refer modeling and Court action to the statulet of the five them is recently a reason to the first of the act place in the base also as mentionship to children the first of the act place is offered to give an action of the modeling the children to the first of the act place is offered to give an action of the children to the first of the act place is offered to give an action of the children to the first of the act place is offered to give an action and the decentration of the privilege, but strange is say, so few attended that he was reluctional, come led to discontinue that he was reluctional, come and the first maker's partice and to night you will date an opportunity of judging the pleasing results arising from this particular about of love on the part of the Pastor. If the singling in the school has improved during 1871, and I think it has, let us he holiotest about it, and thank Mr. P. You have now a rough outline of your school history during 1871 he fore you, and 1 think, there is much in it to cheer and call forth the gratitude of parents and teachers. Pastor and people. It is not an organization outside this church, on the contrary it is an important auxiliary. In which, many of its inture modelers are undergoing a prepartiory training as a congregation, then, let us continue to cherish, labor, and pray for its coutinued prosperity and undersome hers are undergoing a prepartiory training as a congregation, then, let us continue to cherish, labor, and pray for its coutinued prosperity and undersome hers are undergoing a prepartiory training as a congregation, then, let us continue to cherish, labor, and pray for its coutinued prosperity and undusofulness as heads of families let us faithfully discharge our Hoaven wh

# **NEW NATIONAL MACAZINE** FOR CANADA.

Prospectus of the

# CANADIAN MONTHLY

AND NATIONAL REVIEW.

A feeling has long proveded that the intellectual life of the Canadian nation enable to have some organ in the form of a good periodical. Attempts have been made to give itsue has norgan, but hitherto they have not been successful.

in some measures they may have been prema-ture but it is believed that their failure has been matriy due to the want of a sufficiently strong and well-organized staff of writers, and of a fund suffi-cient to guarantee to contributors the fair roun-neration without which as multiplied experience proves, a periodical cannot be successfully carried on

These cognisites have now been effectually secured.

The literary and and materials requisite for the support of a first-class magazine Wall be sought, without restriction, from all quarters Ganadau, littles, and Foreign. But it is indended that the Magazine small have a speciary character action, they are specially character actions that the support.

Pointes will be treated with the aim of infusing as much as possible of the instorical and philosophical spirit into the popular discussion of political questions.

Roligious questions, if they form the subject of any papers, will be treated with a similar aim. Mr Golding Shiff has consented both to contribute regularly, and to a sest on conducting the
