Lady, in shoe store: "I would like to look at some slippers for myself." Clerk, until recently in the dry goods line: "Yes, madam, something all wool and a yard wide?"

The superiority of man to nature is continually illustrated. Nature needs an immense quantity of quills to make a goose with, but a man can make a goose of himself with one.—Reporter.

WHAT'S THE MATTER?

Used up with asthma. Go to the druggist and get a bottle of Minard's Honey Balsam; it is a positive cure for asthma.

Let every man be occupied, and occupied in the highest employment of which his nature is capable and die with the consciousness that he has done his best.

REWARD offered to any person showing a case of headache, toothache, cramp, bruise, sprain, cough, cold, croup, quinsy, hoarseness, burns, or numbness of the limbs that can not be cured by Minard's Liniment. It is good as a gargle in diphtheria and ulcerated throat, and is perfectly harmless when given according to directions.

A man that gets tight is apt to make very many loose remarks.

Nerviline is death to all pain, whether external, internal, or local. Nerviline may be tested at the small cost of 10 cents. Buy at once a 10 cent bottle of Nerviline, the great pain remedy. Sold by druggists and country dealers.

'I beg the congregation to forego the usual donation party this year,' announced the minister. 'I have nothing to give. The last crowd cleaned me out of estates for six months.'

HEMORRHOIDS.

A gentleman writes: "I desire to place on record the cure of the hemorrhoids by using Minard's Family Ointment and the King Minard's Liniment externally." Use equal parts of Liniment and sweet oil for application; it relieves inflammation and gives comfort at once.

PUTTNER'S EMULSION OF Cod Liver Oil WITH HYPOPHOSPHITES OF LIME AND SODA.

For all diseases of the Nervous system, as Mental Anxiety, General Debility, Impoverished Blood, &c., it is highly recommended by the medical profession.

St. ANDREW'S, N.B., 4th Oct. 1889.

Messrs. BROWN BROS. & Co., Being very much reduced by sickness and almost given up for a dead man, I commenced taking your Puttner's Emulsion. After taking it a very short time my health began to improve and the longer I used it the better my health became. After being laid aside for nearly a year, I last summer performed the hardest summer's work I ever did, having often to go with one meal a day, I attribute the saving of my life to PUTTNER'S EMULSION.
