selves or their immediate servants.

In calling public attention to the subjoined list of the Ships which comprise our Boston Line of Puckets, we believe that its general reputation as the first of American Lines is sufficiently well known and established. The Thousands of Letters which have been sent by American Immigrants to their friends in every part of Europe, have borne umple testimony to the Rapid and Successful passages made by those Ships, and to the superior Health, Comfort, and Safety which their Passengers have hitherto enjoyed. Many of them will be recognized as vessels which have gained the very highest character by a suggestion of unusually recoid passages. acter, by a succession of unusually rapid passages.

TRAIN & Co., Passage Office, Nos. 118 and 119 Waterloo Road, LIVERPOOL, England.
TRAIN & Co., No. 121 St. Patrick Street, CORK, Ireland.

These magnificent Ships are all AMERICAN BUILT, and constructed expressly for Packets. They are all New and of the First Class, being built on the most improved principles, and of the best materials. They possess all modern improvements which conduce to health and comfort, as a superior system of lighting and ventilating, the very best Provisions, and a careful medical superintendence. The Captains have been carefully selected as first rate sailors and men of humanity, and an experienced Surgeon is attached to each Ship, and no expense is spared to render this the best and the most popular conveyance to America. As Train & Co. have made such expense is spared to render this the best and the most popular conveyance to America. As Train & Co. have made such arrangements in Liverpool as will Protect their friends from the frauds and impositions sometimes practised there, they believe that those who pre-pay passages cannot but see the advantage of being able to engage with a Respectable House, on favorable terms, for a well known Line of magnificent Packet Ships, and in this way avoid the disrespect, annoyance and delay which they so often experience, when they engage with Agents who are but slightly connected with transient Ships.

As a proof that their Immigration business is conducted on principles uniformly honorable and humane, and that they have been distinguished for the most exact fulfillment of all their Engagements, we are permitted to refer to the Very Rev. THEOBOLD MATHEW, Cork, Ireland.

We also subjoin the following festimonial from the Right Reverend JOHN BERNARD FITZPATRICK, Bishop, Ca-thedral, Boston:—

" Boston, Jan. 22nd, 1849. (cory) "Boston, Jan. 22nd, 1849.
"I am happy to testify, from personal knowledge, that the firm of Ship Owners, known in this City of Boston, under the name of Enoch Train & Co.,' is composed of gentlemen of tried and acknowledged integrity, and that implicit reliance can be placed in their fidelity to accomplish all that they may promise, to those who have occasion to make any contract with them.
