

MORE AMERICA FOR YOUR MONEY.

If you're travelling to the U.S., there are a few things you should know before booking a flight. First of all, Air Canada has more nonstops between Canada and the U.S. than any other airline. We fly to 41 destinations across the States, and can easily get you to many more with our partner, United Airlines. So if you're heading south, give us a call. We'll give you America.
