

6. While a participant is in default with respect to any payment required by 1 or 5 above, no amounts shall be paid to it in accordance with 2 or 5 above.

7. If after the final payments have been made to participants each participant not in default does not hold special drawing rights in the same proportion to its net cumulative allocation, those participants holding a lower proportion shall purchase from those holding a higher proportion such amounts in accordance with arrangements made by the Fund as will make the proportion of their holdings of special drawing rights the same. Each participant in default shall pay to the Fund its own currency in an amount equal to its default. The Fund shall apportion this currency and any residual claims among participants in proportion to the amount of special drawing rights held by each and these special drawing rights shall be cancelled. The Fund shall then close the books of the Special Drawing Account and all of the Fund's liabilities arising from the allocations of special drawing rights and the administration of the Special Drawing Account shall cease.

8. Each participant whose currency is distributed to other participants under this Schedule guarantees the unrestricted use of such currency at all times for the purchase of goods or for payments of sums due to it or to persons in its territories. Each participant so obligated agrees to compensate other participants for any loss resulting from the difference between the value at which the Fund distributed its currency under this Schedule and the value realized by such participants on disposal of its currency."
