

*Business of the House*

private members' bills printed for private members hour and giving them precedence during that hour.

**Some hon. Members:** Agreed.

**Mr. Deschatelets:** I did not hear what was said.

**Mr. Speaker:** It has been suggested by the parliamentary secretary that the private bills be printed on tomorrow's order paper and by unanimous consent be given precedence during private members' hour.

**Mr. Howard:** I think we would agree to that if the hon. gentleman has any expectation of making progress on them.

**Mr. Speaker:** Is it agreed that private bills be printed under private members' business tomorrow with priority?

**Some hon. Members:** Agreed.

It being two minutes past ten o'clock the house adjourned, without question put, pursuant to standing order.
