HEADS OF STATE

PROVISION FOR INCLUSION OF O CANADA
IN SALUTE

Mr. Auguste Choquette (Lotbinière) moved for leave to introduce Bill No. C-152, intituled "An Act respecting the salute to the head of state".

Some hon. Members: Explain.

Mr. Choquette: Mr. Speaker, when the national anthem of a friendly nation is booed by a crowd, it is always an odious sight.

In Canada, an obsolete and colonialist protocol fosters that type of deplorable incident which, amongst others, occurred when General de Gaulle, arriving on the *Colbert*, set foot on Quebec soil. An anthem other than that of Canada was immediately intoned.

The purpose of this bill is to correct an annoying anachronism and to allow the anthem "O Canada" to serve as a salute to the head of state, in the presence of the governor general, since the latter represents first and foremost the head of state of Canada.

Motion agreed to and bill read the first time.
