of what we ought to do by our Treaties with you ;  
 and that as a War had been already entered into  
 with the *French*, you called upon us to assist you,  
 and not to suffer the *French* to march through our  
 Country, to disturb any of your Settlements,

In Answer, we assure you we have all these Particulars in our Hearts, they are fresh in our Memory. We shall never forget that you and we have but one Heart, one Head, one Eye, one Ear, and one Hand. We shall have all your Country under our Eye, and take all the Care we can to prevent any Enemy from coming into it ; and, in Proof of our Care, we must inform you, that before we came here, we told \* *Onandio*, our Father, as he is called, that neither he, nor any of his People, should come through our Country, to hurt our Brethren the *English*, or any of the Settlements belonging to them ; there was Room enough at Sea to fight, there he might do what he pleased, but he should not come upon our Land, to do any Damage to our Brethren. And you may depend upon our using our utmost Care to see this effectually done ; and in Token of our Sincerity, we present you with this Belt of Wampum.'

*Which was received with the usual Ceremony.*

*After some little Time, the Interpreter said, Canassateego had forgot something material, and desired to mend his Speech, and to do so as often as he should omit any Thing of Moment ; and thereupon he added,*

The Six Nations have a great Authority and Influence over sundry Tribes of *Indians* in Alliance with the *French*, and particularly over the  
*Praying*

\* *Onandio*, the Governor of Canada.
