*The figures of whales and of apparatus used in the whale-fisheries are taken from the important and remarkably interesting volume entitled "The Marine Mammals of the Northwestern Coast of North America described and illustrated; together with an account of the American Whale-Fishery." By Charles M. Scammon, Captain United States Revenue Marine. San Francisco: John H. Carmany & Co. New York: G. P. Putnam & Sons. 1874. 4to. 27 plates.
