

Simpson's School Histories.

I.

SIMPSON'S HISTORY of SCOTLAND, from the Earliest Period to the Accession of Queen Victoria. To which is added, An Outline of the British Constitution. With Questions for Examination at the end of each Section. 23d Edition. 12mo. 3s. 6d. bound.

The simple fact that twenty-three large impressions of this work have been thrown off, bears sufficient evidence to the high estimation in which it is held by the public. With a view to increase its utility, various improvements were made on the twenty-first edition; among the most important of which was the re-composing of the more ancient part of the narrative by a distinguished writer, whose works have thrown great light on the annals of Scotland. A similar process has been adopted with regard to the remainder of the volume, a large portion having been written anew, and the whole carefully corrected. A valuable chapter has been added, which brings down the record of public events from the death of George IV. to the reign of Victoria; and the chapter on the British Constitution has been completely remodelled.—These improvements, it is hoped, will be considered at the same time valuable in themselves, and well calculated to facilitate the study of Scottish history. The publishers therefore trust that the work, which is not enhanced in price, will be considered worthy of an increased degree of approbation; and the volume having been stereotyped, the uniformity of all subsequent editions is secured.

II.

SIMPSON'S improved Edition of Dr GOLDSMITH'S HISTORY of ENGLAND, from the Invasion of Julius Cæsar to the Death of George II.; with a Continuation to the Accession of Queen Victoria. To which is added, an Outline of the British Constitution; and Questions for Examination at the end of each Section. 14th Edition. 12mo. 3s. 6d. bound.

The value of Dr Goldsmith's Abridgment of the History of England, as a class-book for the use of Schools and private Families, has been long known and universally acknowledged; on which account the publishers of this volume have retained the title, though the work itself is almost entirely new. Much im-
