

EAST END CONSERVATIVES HELD SUCCESSFUL BANQUET

Nearly 600 Members of the Association Listened to Rousing Speeches From the Hon. A. E. Kemp, J. A. M. Atkins and Local Member.

Nearly 600 staunch Conservatives turned out last night to the annual banquet of the East End Conservative Association...

rapidly with which railroads are built. We have been unable to keep up with the demand. However, we are studying the question so that we can unite the east and the west, instead of separating them.

Speaking on the present condition of the party and about the charges of the opposition that the government was on the last leg, Hon. A. E. Kemp, M.P., said: "I have read articles published in the opposition press to the effect that we were on our last legs, and would not be able to pull through the present session."

"There is the great bill, which involves great stakes. It is ready for the third reading. Good roads are to be made for the farmers, and an entirely new piece of legislation. Several new bills have been introduced and we have had to reconstruct the Transcontinental Railway. You were told by Sir Wilfrid that this road would cost a certain sum of money and then his minister of finance gives figures which are much greater, and from Winnipeg to Montreal alone will cost \$200,000,000."

DOCTORS HAD GIVEN UP ALL HOPE

"Fruit-atives" Saved My Life. RIVIERE A PIERRE, Que., May 8, 1910.

"I look upon my recovery as nothing short of a miracle. I was for eleven years constantly suffering from Chronic Dyspepsia and Indigestion."

"I was treated by several doctors and they simply did me no good. During the latter part of my illness, I was so thin that I weighed only 90 pounds, and I vomited everything I ate."

"The doctors gave me up to die as the stomach trouble produced heart weakness and I was frequently unconscious. I received the Last Rites of the Church."

"At this time, a lady strongly urged me to try 'Fruit-atives.' When I had taken one box I was much better and after three boxes I was practically well again, and had gained 30 pounds. I have taken 15 boxes in all and now weigh 120 pounds and am well."

"Madame ARTHUR TOURANGEAU." "Fruit-atives" is the only medicine in the world made of intensified fruit juices and always cures indigestion. Get a box, 4 for \$2.50, or trial size, 2c. At all dealers, or from Fruit-atives, Limited, Ottawa.

BRITAIN FACES GOAL STRIKE CALMLY

With Million Miners Idle, Number of Factories Close, and Small Steamers Are Delayed, But Sureness of Early Settlement Keeps John Bull Serene.

LONDON, March 1.—Attempts to reconcile the opposing forces in the coal strike were suspended to-day until Monday, when both the owners and the miners will again see Premier Asquith and his cabinet colleagues.

Prime Minister Asquith, in a statement in the house of commons this evening, said that the coal owners in practically the whole of England and in the north of Wales had accepted the proposals of the government; that in south Wales and in Scotland the owners declined the proposition, while the miners have refused it because they were unwilling to submit the rates for a minimum wage to any form of revision.

Men Won't Confer. Premier Asquith to-day invited the miners' executive committee to meet the coal owners, but the men declined, saying they had nothing to discuss. The miners' delegates are now returning to their respective districts.

Creeping Paralysis. The shortage of coal has had already disastrous consequences on commerce. Factories are shutting down in all directions, railroads are taking off some of their trains and steamers are being laid up.

Over Million Strikes. An official return estimates the number of strikers already as 1,945,407. The railways through Wales issued notices to-day that they would be curtailed, and other railways would be curtailed.

The distributions of the New Illustrated Webster's Dictionaries at The World office are made between the hours of 9 a.m. and 5 p.m.; Saturdays, 9 a.m. to 2 p.m.

McBride New Zealand's Premier.

WELLINGTON, N.Z., March 1.—(The Times correspondent states that the government having carried the adjournment motion by two votes, it probably will not meet before the end of June. The resolution of the party, while expressing high appreciation of Sir J. Ward's services as one of the ablest administrators in the Australian colonies, treats the resignation as definite. Thomas McBride is the probable new premier.

In Great Britain will follow this example to-morrow. Several hundred steamers are held up at the various ports for lack of coal, but the large trans-Atlantic lines assert that they are well provided with fuel.

Public Back Asquith. England is facing the crisis developed much more calmly than she regarded it. Public opinion generally endorses the government's decision to pass a minimum wages bill, unless the resigner who has fallen is a principle which has already been accepted by 60 per cent. of the employers.

MR JOHNSTON'S CALL His Decision Will Not Be Known Until Next Tuesday. The meeting of the board of trustees of Queen-street Methodist Church, which was to have met last evening for the consideration of Rev. C. O. Johnston's resignation, was postponed until Tuesday next.

KEEP COOL, QUEBECKERS This is Sage Advice of L'Evenement Touching Keewatin Schools. QUEBEC, March 1.—(Can. Press)—L'Evenement this evening prints what begins like an inspired editorial, which begins by asking for suspension of judgment on the part of the French-Canadian of the province.

Eleventh Straight for New Edinburghs. OTTAWA, March 1.—The champion New Edinburghs made it eleven straight wins in the Ottawa section of the Inter-provincial Amateur Hockey Union tonight by defeating the Stewarts by 9 to 4. Both teams were crippled by the New Edinburghs being without Gerard and Broadbent, and the Stewarts were missing the lowly and Duford, who were expelled from the club yesterday. The Stewarts arranged to play their New York trip, and will leave on March 12.

Wanderers Defeat Crescents. NEW YORK, March 1.—By a score of 1 to 1, the Wanderers Skating Club hockey team tonight won the amateur hockey championship of this city from the Crescents. The Wanderers have carried off the honor twice previously, and would have obtained permanent possession of the Stanley Cup had they won to-night.

The Wanderers' team, to the lighter one, and playing together this season for the first time, disposed of the Brooklyn veterans in easy style. Germania Hotel, John and Main-streets, first-class table and rooming accommodation.

QUIET PEKING LOOTERS DEPART

Premier Yuan Humbly Apologetic to Foreigners — Outbreak Causes General Surprise. PEKING, March 1.—(Can. Press)—Tuan Shi Kai this evening issued a note addressed to the foreign missionaries, merchants and other residents of the capital, in the following terms: "The disturbance in the capital was quite unexpected by me and has filled me with sorrow. One of my chief duties is to preserve order in the capital, and in this I have been hitherto uniformly successful. Into you who are strangers in a strange land, I wish particularly to convey my sincere regret for the occurrence. Every measure of precaution has been taken to prevent a recurrence."

In the vicinity of the legations everything is quiet to-night, but a big fire broke out near the north gate and some distant shooting was heard. A body of 1500 mutinous troops commandeered a tram this morning and departed for Honan.

Can Cancel Nankin Trip. The assurance caused great surprise among the foreigners here. The only foreigner who has fallen is a Japanese. Owing to the real cause of the disturbance, opinions are divided in the foreign quarter as to the outlook for the future. Some of the most optimistic consider that a new situation has been created in order to provide Yuan Shi Kai with an excuse for not proceeding to Nanking at the request of the republicans. Consequently it is thought that the disorder is not likely to spread.

Shook to Sun Yat Sen. NANKING, March 1.—President Sun Yat Sen was shocked to-day when he received advice from Peking concerning the outbreak there, which he considered to indicate an entire lack of control by the authorities. He believes, however, that the outbreak will be brought under the control of the generals and the troops who are loyal to the republic. The war office telegraphed the generals in Peking demanding that they maintain order.

Bad in Canton District. HONGKONG, March 1.—The situation in the Canton district has become distinctly bad. The British naval forces at Hongkong have been strengthened by the arrival of the armoured cruiser Anstrala.

ORATORICAL CONTEST. The last speaker was the first last evening in the winning of the oratorical contest of the Debating Union of McMaster University, when J. Hind was the winner of the prize, a gold watch, job, donated by Harry Byrie. Mr. Hind's subject was "Opportunity and Character."

Sunday World Pictures. Eight pages of miscellaneous pictures comprise this week's Pictorial Section of The Sunday World. Some of these, at least, are found to be interesting to all the people. The big Motor Show at the Armories, the opening of the British Parliament, Australian Boy Scouts in New York, Mr. Winston Churchill and Lord Haldane on the latter's return from Germany, scenes and incidents connected with Mr. Churchill's visit to Belfast, and a number of winter pictures. There are also further selections of Hamilton and St. Catharines pictures, as well as a lot of miscellaneous views and portraits.
