far more than our costs and profit."

Additional Complaints.

It is also stated that the department has entered upon its distribution scheme without consulting the fishermen or fish producers, although the are close to 5000 men and 2000 boats involved and \$7,000,000 invested. They have not consulted the wholesale dealers, who have a furthe city council, but ex-Ald. Garnet A. Archibaid pointed out that as the council had decided not to proceed with the work this year, it would be better not to take any action.

Accordingly the half-dozen indigwholesale dealers, who have a further \$2,000,000 invested, and have, it is stated, "arbitrarily fixed gard to higher and still rising costs of production, which in some cases amounts to confiscation. This is TO ASSUME LIABILITY going to hamper or cut off certain production, as we have been riuntly informed by men who have sold us their fish in the past." It is also stated that the scheme as applied to the retail store has put a premium on crooked dealing, as a much inflated profit is obtained on the greater porthe civic revenue came before the board of control yesterday morning tion of the fish sold.
