A Home Requisite

A Hoover should be in every home. It is good looking, a labor saver, and it keeps the home bright. The Hoover lifts the carpet, beats it, sweeps it, straightens out its nap, restores its colorings and "vacuum cleans" it, too, all in one operation. The remarkably patented features of the Hoover enable it to combine all these processes. Other cleaners rely mainly on air alone. That's why more Hoovers are used than any other. Demonstrated on the Fourth Floor.
