squad will be out again. They are Art Smith is getting the boys in shape and has arranged for a practice game against the "Y" juniors on this season. Kingswood has not yet recovered from an injured ankle received in a rugby game last fall, and Elgie has been forbidden to play by his doctor.

Quite a bunch of new men are on hand, and in the work-outs look pretty good. Jimmy McGeough, who was on the "Y" defence last season, will play for Western this spring. McGeough played rugby for the "Varsity and was with the Hermits during the hockey season. Simpson of the Meds is tryling out for defence. He is a former lower the team of the content of the mais setting the boys in shape and has arranged for a practice game against the "Y" juniors on thursday night. Although the loss of the scape and kingswood is a heavy one. Capt. Smith has high hopes of some of his new material, developing into real classy players. The team for Saturday's game has not yet been announced.

### THAMESVILLE LOSES DE LA SALLE TRIMS KINGSTON HANDILY TO OSHAWA 16 TO 2 STRATFORD JUNIORS

Thamesville skaters in circles, Many Individual rushes made the game very fast.

Elmer Spoon ingston.

The second period was uneventful for the first few minutes, Oshawa playing a purely defensive game. During the latter part, now feeling their opponents were completely outclassed, Oshawa got away and scored five goals in quick succession. The sensational hockey of the night was provided in the third period, during which Oshawa scored seven goals, and Thamesville one. It was beautiful hockey. Three and four men rushes kept the play up to a terrific pace, though the players occasionally overskated the puck. The fireworks started in the closing minutes, when Thamesville made heroic efforts to score, but they could not penetrate the Oshawa defence. Only two players were penalized during the game. A large crowd was in attendance to cheer the boys to victory. The return game is on Friday. Stratford series was in progress. However, in view of the train connection making it practically a three-day trip between these points, the present arrangement was decided upon.

In spite of all handicaps, the Midgets are looking for a win. They have their fighting blood up, and are going out to hook up with the silverware for the second season.

the third period, and they had been badly rattled in all departments of the game, but they rallied, and held the locals to 3 to 0 in the last spasm. The contest was staged under Saskatchewan rules of three periods, with relays allowed, but the long train journey of the Saskatoon team, when they were held up for twenty hours by a snow-storm, showed its effect, and the Quakers were unable to take advantage of their own rules in the way they expected. The first period ended 4 to , and showed the visitors to be badly outclassed.

TORONTO, March 5.—De La Salle are ready to meet University Schools in the Ontarlo Hockey Association junior semi-finals. The Irish brigade overcame Kingston's three-goal lead seewed last week in handy fashion and won away off tonight. The score in Kingston was 7 to 4 for the Limestone City boys, but De La Salle turned the trick 7 to 2 tonight, and won the round 11 to 9, or by a two-goal margin. On the big arena ice the winners were much the best. Kingston only went in spots, but when they took these spurts they made it interesting. The whole Kingston team was rushed up on the attack in the last period and they kept it lively. De La Salle dropped back to the defensive and were shooting the puck to the end of the rink in the dying moments of the game. The teams;

Toronto, March 6.—President Mc-Caffery of the Toronto Baseball Club announces that the International League will be reorganized, and that there will be baseball as usual this season. The league contract of Pitcher Warhop has been received. Larry Lajoie is expected to come here for a

Toronto, March 6.—Manager Querie of the Toronto N. H. L. Club, has notified President Calder of the N. H. L. that unless the dates for the playoff with the Canadiens are changed his team will withdraw. He is not satisfied with the arrangements which requires the blue shirts to play the second game at home, and claims that his team should have been consulted before the dates were announced. He also accuses Manager Kennedy of the Canadiens of lack of faith.

Winnipeg, March 5.—The federation of Mechanical Employees of the four Canadian railways, have joined the American Federation of Labor. Delegates to the number of two hundred have been in session for a week, representing employees from Halifax to Vancouver. This brings 30,000 railwaymen into the American order, and will place them upon the same scale of wages and hours that has been in vogue in the United States, but this matter will be left to the federation to enforce.

## MOONEY GIBSON TO JOIN GIANTS SOON

George "Mooney" Gibson expects to eave within a few days for the south to join the New York Giants for their The London Military Hockey Club spring training at Marlin Springs, seniors will leave at 1 o'clock on Texas. Mooney looks forward to a Thursday afternoon for Cleveland, good season with McGraw again this where they will meet the Cleveland year and thinks that the Giants should puckchasers on Friday and Saturday play as good ball as they did last sum-

# Low Temperatures Often Mean High Upkeep

-40 -30

20

ZERO

THE selection of a motor lubricant is at all times a vital question in keeping down the cost of up-keep

Some oils that lubricate your motor efficiently during warm weather are entirely unsuited to cold weather conditions as they fail to protect it against wear. They fail because they do not remain fluid enough and cannot be distributed to the friction surfaces of the motor.

but in cold weather it is even more important.

The result is loss of power, expensive repairs for wornout parts and a greater consumption of fuel, all meaning higher up-keep.

POLARINE is made in two grades-POLARINE and POLARINE HEAVY-from a Peruvian Crude having high lubricating value and the ability to flow at low temperatures.

You can end unnecessary winter lubrication troubles and keep your motor up-keep down to a minimum by always insisting on POLARINE MOTOR OILS-sold in half gallon, one gallon and four gallon sealed cans and in barrels and half barrels.

PREMIER GASOLINE is refined to definite specifications which produce a fuel with the proper balance for prompt starting and full power.
