

FUNERAL OF LEVEL CROSSING VICTIM

Late Blair Foote Buried Under I. O. O. F. and Military Auspices.

GUELPH, June 21.—Never in the history of the village of Elora has such a large funeral taken place as that of the late Blair Foote, the unfortunate young man who lost his life in the automobile accident here on Friday evening last, which was held this afternoon. The whole village was in mourning, and the procession which followed the cortege to the grave was more than a mile in length.

Large representative bodies of Odd Fellows were present from Fergus and Elora, and the members of the Great War Veterans' branches from both villages turned out in full force, under the command of Lieut.-Col. R. T. Pritchard, formerly commander of the 153rd Battalion, of which deceased was a member. Service at the house was conducted by Rev. Mr. McDonald, pastor of Knox Church, and the Odd Fellows' burial service at the grave was conducted by Bros. Fred Beck and William Duncan. The floral tributes completely filled a motor truck. The pallbearers were all chums who had served with deceased overseas. They were ex-Privates Woods, Patmore, Parquhar, Bell, Milne and Lilly.

PETERBORO, June 21.—(Canadian Press.)—A. E. Ames & Co., of Toronto, were the highest and successful tender for the \$500,000, 6 per cent, 30-153rd Battalion, of which deceased was a member. Service at the house was conducted by Rev. Mr. McDonald, pastor of Knox Church, and the Odd Fellows' burial service at the grave was conducted by Bros. Fred Beck and William Duncan. The floral tributes completely filled a motor truck. The pallbearers were all chums who had served with deceased overseas. They were ex-Privates Woods, Patmore, Parquhar, Bell, Milne and Lilly.

Those Pearly Teeth

Learn how people get them

All statements approved by high dental authorities

Millions of people have adopted a new teeth cleaning method. Wherever you look you see pearly teeth nowadays. Let this ten-day test reveal what this method means to you.

End the cloudy film

Most teeth are dimmed by film. A viscous film clings to them, enters crevices and stays. Most tooth troubles are now traced to it.

It is this film-coat that discolors—not the teeth. It is the basis of tartar. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to cause decay.

Millions of germs breed in it. They, with tartar, are the chief cause of pyorrhea, and very few people escape it.

The ordinary tooth paste does not dissolve it, so the tooth brush does not end it. Thus most people suffer from that film.

Now dental science, after years of searching, has found a way to combat it. Able authorities have amply proved its efficiency. Now leading dentists everywhere advise it, and millions of people have come to employ it.

Everyone is welcome

Now this new method is embodied in a dentifrice called Pepsodent. And everyone is welcome to a ten-day test.

Pepsodent is based on pepsin, the digester of albumin. The film is albuminous matter. The object of Pepsodent is to dissolve it, then to day by day combat it.

Pepsin long seemed impossible. It must be activated, and the usual agent is an acid harmful to the teeth. But science has found a harmless activating method, and pepsin can be every day applied.

Two other new-day requisites are combined in Pepsodent. So this method in three ways brings unique results, and everyone should know them.

Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. See how teeth whiten as the film-coat disappears. It will be a revelation.

Do this for your sake and your family's sake. Judge the method by results. Cut out the coupon now, for few things are more important than whiter, safer teeth.

CENTRAL JOINT C. I., PUBLIC, TECHNICAL SCHOOL PROPOSED

B. of E. Asks Department If Aid Available For Such a School.

ST. THOMAS, June 21.—The board of education, although favoring the securing of a site for the erection of a central building to relieve the congestion in the collegiate institute and public schools, has deferred to a request from Trustee Conley that he consult the separate school board before any definite action be taken, the further consideration of the proposition was postponed until a report reaches the board from Mr. Conley.

A motion by Trustees Wright and Johnston carried, that the secretary write the department and ascertain if any aid would be allowed the board for a joint collegiate and public school, in which would be taught industrial branches in the morning.

Chairman Andrews felt that if the people understood exactly the condition of the educational facilities in St. Thomas they will indorse any reasonable scheme that may be suggested in the way of providing increased accommodation.

Applications for positions on the staff were received from Mr. E. Horton, St. Thomas; Florence Harvey, Elmham; Angus S. Conley, St. Thomas; and G. McKay, Toronto; Mabel Ketchabaw, St. Thomas. The applications will be considered by the internal management committee.

The board is in receipt of \$1,444 in payment of the grant in aid of industrial, technical and art education. The report of Principal Voaden showed the monthly attendance at the college was, registered 418, average 393.

CONFESSED THEIR FAULT.
Mike O'Connor acknowledged being drunk before the police magistrate this morning, but denied being a party to numerous thefts from residents of the city. He was remanded.

J. M. McElin also confessed to have been looking on the wine when it was yellow and paid \$25 and costs.

Hiram, an Irishman, also fell when he filled up on London whiskey and was fined \$15 and costs.

COLIN McLEAN DISCHARGED.
The evidence expected to convict Colin McLean, who elected to be tried before Judge Colter today, not forthcoming, the young man was allowed to go. McLean was alleged to have been an accomplice of William Barritt in the forgery of a check purporting to have been signed by one Gregg.

SENT TO BURBANK.
Pleading guilty to the theft of a quantity of goods from his store partner, Thomas Lear, Ross street, a few weeks ago, Charles Williams, a plumber, was sentenced from six to eighteen months at the provincial reformatory.

Williams had also been employed by Ingram & Davey for some years and this firm also charged him with robbing their store of numerous articles. About \$500 worth of stolen property was found in possession of the accused.

BURGLARY AT WEST LORNE.
West Lorne had a second burglary last night. The store of Macpherson & Co. was entered and some goods and change in the till taken. Broker's store was visited Friday and several articles, as well as money in the cash-box, were removed. No trace of the thieves so far has been discovered.

GERMAN CANNON HERE.
A pair of German guns reached the city today and will be given a place in Pimark Park. With the couple of popguns now in the entrance to the municipal playgrounds, the big field guns will be so located as to cover the road and grandstand at the diamond.

ITEMS OF INTEREST.
A new tug, "Varey Brothers," was launched during the week at Port Stanley.

Half a hundred boys and girls received their first communion at the Church of the Holy Angels yesterday. The sanctuary of the church had lovely floral decorations.

A bag of supposedly stolen cartridges was found by a couple of boys yesterday buried in the clay at the end of New street. The police will hold them until called for.

Charles O. Stanley has sold his house on the corner of Wellington and Hink streets to M. C. E. Trainmaster John Purvis. N. Porter has purchased a residence on Queen street from E. Marlett.

UNIDENTIFIED BODY THAT OF MAN WHO WORKED IN SARNIA, SAYS REPORT

License Inspectors in Lambton Too Busy To Give Press News.

Sarnia, June 21.—Word was received in Sarnia Sunday that the body of the man found in Lake St. Clair at Mount Clemens, Mich., which remains unidentified, is that of a man who had worked in this city, and had entered the United States via Sarnia, but all inquiries made here by the authorities have failed to reveal his identity.

Building in Sarnia continues to shatter all previous records and 50 permits issued to date this month are valued at \$72,838.

"Too busy to give the press a report," were the words of the provincial license inspectors when asked for a report on their activities in Lambton County last week.

A banquet was given by the businessmen of the city to Percy Hutchinson, the English actor, tonight. A search is being made here for 16-year-old Mary Corcoran as a result of a wire received from the Stratford police officials.

COCAINE AND MORPHINE STOLEN FROM DOCTORS
Two Guelph Doctors' Offices Visited by a Stranger.

GUELPH, June 21.—Two local physicians' offices were visited today by a man whose identity is unknown, and after his departure it was discovered that drugs, cocaine and morphine, valued at a large sum, were missing.

The two offices were those of Dr. A. McKinnon and Dr. J. Lindsay, and the stranger went to each place when the physicians were absent. After asking to see the doctor, and being informed he was not home, the stranger stated he would wait. In each instance he was alone in the office for some time. After a while the doctor returned and he would call again, and it was only after the doctor's return that the loss was discovered. The police are investigating the robberies.

MEMORIAL WINDOW
Central Presbyterian Church To Honor Its War Heroes.

GALT, June 21.—As a result of the recommendation from a special committee which has been looking into the matter, the congregation of Central Presbyterian Church will place a beautiful stained glass window on the west side of the church as a memorial to commemorate the part taken in the great war by members of the congregation. On the window will appear the names of the fallen members and those who enlisted.

TWO GERMAN GUNS.
Two German guns, one of 77 mm. and the other of 105 mm., are now on their way to Galt as the gift of the department of public archives, Ottawa, to this city, to serve as souvenirs of the part Galt's sons took in the war.

Immediately on arrival the park board will be called in special session to decide the location of the war trophies.

START WORK ON 50 HOUSES AT WINDSOR; TO COST \$200,000

Central Heating Plant Proposal Turned Down by City Council.

WINDSOR, June 21.—Work is to be commenced on Wednesday by the Windsor Housing Commission on the erection of 50 houses, the first group to be constructed under an extensive program planned by that body to relieve the housing shortage prevalent here. It was definitely announced by commissioners to the city council in session tonight. The contract has been let to R. Westcott Construction Company, for \$200,000, at the rate of \$4,000 per house.

Although the gas supply question here is at deadlock with the company threatening to cut off its supply on August 1, unless the city concedes an increase in rates from 30 cents to 31 per thousand cubic feet, and although there are about but 1,400 tons of coal in the municipal pile with no definite prospect of any further supplies, and local dealers are receiving less than enough to meet their regular summer domestic requirements, the Windsor city council tonight refused to take action on the application of the Windsor Central Heating Syndicate for permission to install and operate an underground system of heating from a central station on a scale similar to that in effect in the larger cities of the United States and Europe.

The company's representatives declared they had the assurance of two years' supply of fuel at least.

MAJOR WINTER ILL.
Mayor Winter was taken to the Hotel

Dieu Hospital tonight with an acute attack of appendicitis and was operated upon. He expects to be away from his office three or four weeks. In the meantime members of the council will alternate in filling the duties of the mayor's chair.

THREE-CORNERED CONTEST POSSIBLE IN EAST ELGIN

U. F. O. Candidate Only One Already in the Field.

ST. THOMAS, June 21.—The announcement coming from Ottawa that East Elgin will not go by default in the selection of a successor to the late David Marshall while Harold Daley, a barrister of that city, can scrape up the price of transportation to bring him to Aylmer, is a bit of unexpected and not unjoyous news to reach the electorate of that once good old Tory riding. Mr. Daley would run on the unbroken lines of the new national policy if a man in the constituency cannot be found to carry the banner and the burden. Should a local man oppose the nominee of the U. F. O., Mr. Daley consents to remain in Ottawa.

So far ex-Warden S. S. McDermid, Malahide, has been chosen by the Farmers' party as their candidate. The Conservatives will hold a convention within the next few days to select a man, and there are a number in the riding of the old stock who are being persuaded to run on the straight Tory schedule and not wobble.

Rev. W. G. Charlton, the nominee of Central Heating, has left the riding and is living at Welland. He may or may not be recalled.

ADOLPHE CARNOT DIES.
PARIS, June 21.—Adolphe Carnot, former president of the Democratic Alliance and brother of the late President Carnot, died here today. He was born on January 27, 1839, and was a commander of the Legion of Honor.

THREE MEN HURT WHEN AUTO CRASHES INTO POLE

WINDSOR, June 21.—Crashing into a telephone pole at the corner of London and McLaughlin streets late Sunday, H. Butts of Windsor, and three other occupants of the automobile he was driving, were seriously injured, the car was completely wrecked, and the telephone pole snapped completely off like matchwood, at the base.

An information has been preferred against Butts by Sandwith police, and he is to appear before Magistrate Meirs in the county town to answer a charge of reckless driving.

SARNIA YOUTHS FACE SERIOUS CHARGES

SARNIA, June 21.—As the result of activity on the part of the police a youth named Andrews was tonight taken into custody by the authorities on a forged and check theft charge, while another youth, whose name is withheld by the police, was arrested for an alleged theft of a number of watches.

Sarnia's "Little Russia" again figured in the police court proceedings today, when Wasil Morria was remanded until Wednesday on a charge of keeping liquor contrary to the O. T. A. regulations.

According to a report made to the authorities the life of W. H. Kenny, wholesale grocer, was endangered during the week-end, when a boy threw a stone through the windshield of his motor car.
