MODERN FURNITURE of quality and charm — reproductions of Period designs in Living-Room, Dining-Room and Bed-Room Suites.

OUR five floors of showroom display are a revelation of the artistry of European craftsmanship combined with the practicability of construction of trained Canadian workmanship.

THE correctness of detail and workmanship that characterizes this Furniture is a tribute to the skill and ability of the modern Canadian craftsman and tells the story of progressive Furniture building at a glance, placing a room so furnished out of the ordinary and commonplace and giving it a definite character and charm we know our customers will appreciate.

COMMENCING Monday, October 25th, and continuing to October 30th, a wonderful selection of Furniture of the Higher Grade will be on display. Priced in many cases lower than furniture of much inferior quality.

Beautiful New Bedroom Designs in a profusion of novel and attractive finishes that will make a strong impression on people needing Furniture of the finest construction, obtainable at moderate cost.
