## \$1,800 DAMAGE SUIT IN AUTO ACCIDENT

Moncton Car Badly Damaged, Passengers Hurt in September Last

DORCHESTER, Nov. 18.—The case of Thomas Davis vs. Duncan Donald was taken up when the Western Circuit Court resumed this morning. It is claimed by the plaintiff that his car was run into by the defendant's in 10 last. Defendant denies that his car hit plaintiff's. Anyhow, plaintiff's car went into and over the ditch, struck a stump and bounded out on the road 35 feet away on its side, turned completely around. The body was demolished and one wheel broken and all occupants more or less injured. Plaintiff sues for \$1,800 damages.

The plaintiff, Mr. and Mrs. Walter Neale, Mr. and Mrs. Walter Wilson, Edmund Keyes, of the Robinson Overland-Knight Co. garage, Fred Tisdale, engineer who drew plan of road and took measurements the morning after accident, all of Moncton, and Dr. M. A. Oulton, of Shediac, who attended the injured, gave evidence.

The jury on this case are W. W. Fawcett, Curry Lewis, Alton Maxwell, Timothy Richardson, John Gaudin, Benjamin Groundwater and George Proudfoot. The case was adjourned until 9.30 tomorrow.

IT'S A "CROOL" WORLD

NEW YORK—Lieut. William Hicks, doughty Bronx fire fighter, has been served hot coffee and sandwiches frequently by kindly folk while fighting fires in and around the Bronx, but he feels that he was the object of some left-handed generosity the other day when an irate resident tossed a can of tomatoes at him without removing the can. She became incensed when the firemen decided to tear down a fence to extinguish the last embers of a fire back of her home. She was charged with disorderly conduct.

**JUST SING YOUR BEST**  
PARIS—If you are a singer and sing as loud as you can when you have had a bad cold you are doing your best. And that is all anyone, including a theatrical producer, can expect. So the court has ruled in awarding Yvette Guilbert 35,000 francs damages on a counter claim against M. Franck of the Etolite theater. He sued the singer for alleged damages, asserting that she jeopardized the success of "Les Amants de Legitime" by not singing her part audibly enough. She replied that she was suffering from a bad cold and added an allegation that Franck had broken the terms of his agreement with her.

**GOING THAT WAY ANYHOW**  
ROCHESTER—Frank E. Haight, hay and grain dealer, is taking lightly the inconvenience he suffered when the coupe in which he was riding was struck the other night by a limited passenger train going at full speed. The engine ground the coupe to bits but deposited him (clear of the wreckage) on the front of the engine, where he rode 1,200 feet while the train was being brought to a stop. He suffered a wrenched back and minor injuries. "I was going that way anyhow, remarked Haight. "I hated to lose the coupe, however."

Smith—No, that's just the point. He didn't—Passing Show, London.

**YARMOUTH AGRICULTURAL SOCIETY IN ANNUAL MEETING CHOOSES OFFICERS**  
YARMOUTH, Nov. 18.—The annual meeting of the Yarmouth Agricultural Society was held at the Court House here yesterday afternoon. The report of the secretary showed that in the last year the membership of the society had increased by over 60 names and now totaled 32 members. It also dealt with the apparent lack of interest in the public school exhibits which in the year 1916 included 323 entries with \$46.53 paid in premiums. This year the exhibits from the schools totaled 162 entries and \$126.50 paid in premiums.

The treasurer's report showed that the total collections of the society for the year amounted to \$6,903.92 and expenditures \$6,144.25.

Officers for the ensuing year are as follows: President, Stephen A. Cook; Central Cheque; vice-president, John C. Corning; Cheque; secretary-treasurer, E. L. Crosby; Yarmouth. Directors, Walter Churchill, Brooklyn; D. C. Hilton, Carleton; C. H. Doane, Cheque; A. L. Robbins, Cheque Point; C. W. Cain, Yarmouth. Auditors, W. A. Godfrey and W. C. Poole.

Councillor W. L. Cook, of Yarmouth, brought up the matter of the re-establishment at Halifax of the provincial exhibition objecting to the government making such a grant for one exhibition. He contended that if the money be divided among four district exhibitions it would be used very much more advantageously to the whole province. Councillor Cook's suggestion met with some favor by the meeting and was referred to the directors to deal with.

**33 INDICTED IN N. Y. LIQUOR RING CASE**  
13 Belong to Coast Guard of U. S.; Canadian Chief Defendant  
NEW YORK, Nov. 18.—Thirty-three men, 13 of them members of the Coast Guard and one a former department of justice agent, were indicted today as members of a rum ring operating its own vessels between Canadian ports, St. Pierre, Miquelon, and Rum Row.

The indictment charges that offices for the rum ring were maintained in Lexington avenue by Edward and Frank Costello for disposal of the liquor after it had been brought in from rum row. The Costellos and several others of the indicted men were named in the first indictment of William V. Dwyer and his alleged associates who operated another gigantic rum ring.

W. L. Van Dyke, a Canadian, and part owner of one of the ships, was one among those indicted and will be one of the principal defendants.
