## My Birthday Bargain Sale of Semi-ready Suits

When this store was being built a year ago I was "on edge" at the delay in getting into the shop—every day's delay gave me a week of worry. I nearly missed a whole season—

But that was lucky for My Customers—

For whenever I wish to celebrate or rejoice in the happy day that brought me up from the slippery hill to the safe level of Charlotte street—I have to give Bargains right in the middle of the best business season.

Yet, if I really wish to be generous—it were better to give away all profits just when the buyers want the goods.

Selling ice in January is no business for any man.
