BE SUSPICIOUS OF TENDER GUMS

Be suspicious of any tenderness or bleeding of the gums. This is usually the first stage of Pyorrhea—an insidious disease of the gums that destroys the teeth and undermines bodily health. Gradually the gums become spongy. They inflame, then shrink, thus exposing the uncleaned tooth-base to the ravages of decay. They open up the gums form gateways for disease germs to enter the system. Medical science has traced many ill-effects to those infecting germs in the gums weakened by Pyorrhea. They are now known to be a frequent cause of indigestion, anaemia, rheumatism and other serious conditions. So watch carefully for that first tenderness or bleeding of the gums. Try Forhan's immediately. It positively prevents Pyorrhea (Riggs' Disease) if used in time and used consistently. And in preventing Pyorrhea—it guards against other ill-effects. Forhan's (For the Gums) cleans teeth scientifically as well. Brush your teeth with it. It keeps the teeth white and clean. If gum-shrinkage has already set in start using Forhan's and consult a dentist immediately for special treatment. 35c and 60c tubes. All Druggists. **FORHAN'S, LTD., Montreal.**

THE LAW AND THE NAME.
The name of the new table luxury which bids fair to replace dairy butter in many thousands of families is "Sweet Nut," but the law, passed before it was invented, requires that the word "margarine" be placed on every package. Such is the law, but in point of fact the new table luxury is very different from ordinary oleomargarine. In the first place, it contains no animal fats or preservatives of any kind except high grade salt. It is made entirely from appetizing natural foods we especially like to eat. The crisp, white meat of the coconut and pasteurized milk are inviting ingredients. In the second place, you cannot distinguish it when served from the best creamery butter. Its price is a daily economy, 41c. a pound. For sale by F. C. Robertson, 141 Waterloo street; F. E. Williams & Co., Ltd., Forest Hill road, and E. Roy Robertson, 11 Douglas avenue.
