Lost Chicago, May 12—The United States
Circuit Court of Appeals today granted
the petition of District Attorney Wilkcounts in the indictment against Jack
Johnson, negro pugilist convicted of violating the Mann White Slave Act. The
argument was set for May 19. Johnson
was convicted a year ago and while the
higher court upheld a number of the
counts in the indictment it reversed the
others and ordered that the negro be resentenced. Mr. Wilkinson asked for a
new trial on the grounds that the findings of the lower court against Johnson
should be upheld on every count.

Pending his appeal Johnson was released from custody on bail and went to
Europe.
